Water Environment Federation®
Preserving & Enhancing the Global Water Environment

WATER ENVIRONMENT FEDERATION

Global Membership

Your Access to Water Knowledge

www.wef.org

The Water Environment Federation

A Community of Professionals with a Global Vision

Since 1928, the Water Environment Federation (WEF) has guided technological development in the water community. As the leading source of water quality information, WEF provides its members, public officials and the general public with the necessary tools to improve quality of life through the sustainable management of water resources, water protection, and water and wastewater treatment.

By joining WEF, you become part of a network of global water professionals working toward the common goal of preserving and enhancing the global water environment:

WEF Is Your Access to Water Knowledge
Gain access to the latest research, news, conference papers and discussion forums pertaining to the top water quality issues

WEF Gives You a Voice For Change
WEF members are eligible for participation in committees and enjoy full voting rights. No matter what your dues level, WEF wants you to be involved

WEF Connects You Professionally
Network with over 35,000 of your fellow leading water professionals around the globe, exchanging knowledge and creating sustainable solutions

WEF Connects You Commercially
WEFTEC and other commercial opportunities offered by WEF, provide you with the best access to products and services available in the market today

WEF Provides Premier Educational Opportunities and Materials
The vast array of publications, books, conference and an expanding number of distance learning activities available are unsurpassed in scope and content.

www.wef.org

Fact

According to the United Nations Development Programme (UNDP), over 1 billion people lack access to water and over 2.4 billion lack access to basic sanitation.

Action

WEF engages with like-minded organizations whose mission is to provide access to safe and sustainable drinking water and sanitation to global communities. WEF members actively participate in these organizations to make access a reality:

- Engineers without Borders
- European Water Association (EWA)
- Inter-American Association of Sanitary and Environmental Engineers (AIDIS)
- International Water Association (IWA)
- Peace Corps
- Singapore Water Association (SWA)
- Stockholm International Water Institute (SIWI)
- United Nations Environmental Program (UNEP)
- United Nations Council for Sustainable Development (UN-CSD)
- Water for People
- World Water Council

WEF is the only water organization to hold accreditation as an Advisor to both the U.N. Council for Sustainable Development, the U.N. Environmental Program.

For more information on WEF's activities with the organizations listed, please visit: *www.wef.org/AboutWEF/InternationalPrograms*

WEF Connects You Professionally

Global Professional Membership

The foundation of WEF membership is the philosophy that every individual member, working in water quality, contributes to making our world a better place to live, and is considered a Professional Member.

Dues	$ 85 US £ 43 € 57

WEF Professional Membership includes:

- Access to Water Knowledge – for professionals, from the experts and thought leaders
- Access to the WEF Community of Water Professionals, like you, dedicated to improving our quality of life
- Membership to your local Member Association
- Monthly subscription to *Water Environment & Technology* – WEF's highly-respected flagship publication
- 20-40 % Discount on list price for WEF products and publications
- Member pricing for add-on subscriptions to WEF periodicals and online bulletins
- Member pricing for all WEF conference and workshop registrations
- Member-only access to Technical Practice Updates via *www.wef.org*
- Member-only access to online issues of *WE&T* and *WEF Highlights*
- Member-only access to complete suite of WEF Proceedings – published prior to 2007, available online and fully searchable
- Member pricing for 2007 and 2008 WEF proceedings, available on CD-ROM.
- Member access to the WEF Job Bank
- Access to download "WEF Classic" publications at no-charge.

Global Professional
Low-income Option

Dues	$ 45 US £ 23 € 30

Global Professional membership, with the Low-income Option, is available to any individual, living outside of the US, US Territories and Canada, in a region identified by the World Bank as a Low-income country. The Low-income Option provides Global members with access to all Professional membership benefits, as well as the access to download "WEF Classic" publications at no-charge.

For a listing Low-income countries as identified by the World Bank go to www.wef.org.

See a full listing of benefits included in your global membership on page 5.

e-Global Professional

Dues	$ 20 US £ 10 € 13

E-Global Professional membership is available to any individual, living outside of the US, US Territories and Canada. This membership package includes all Professional membership benefits that are available in electronic and online format, as well as the access to download "WEF Classic" publications at no-charge. E-Global members are full-voting members, but do not receive any discounted WEFTEC or conference member registration rates.

For as little as $20 US, connect to a network of professionals with a vision of a world where all people, regardless of their circumstances, have the right to clean water and basic sanitation. A WEF E-Global Professional Membership provides you with access to like-minded individuals and a breadth of information and tools that will help you make that right a reality.

WEF Connects You Commercially

Corporate

Dues $ 250 US
£ 125
€ 157

Corporate membership is available to companies that support the water environment profession and wish to affiliate their organization with the leaders of the water quality field. WEF also welcomes any organization that supports the preservation and enhancement of the global water environment.

One corporate contact, from the Corporate member organization, is entitled to all base Professional member benefits as well as annual subscriptions to:

- *Water Environment Research* (*WER*) in print
- *Water Environment Regulation Watch*

WEF Member Associations

WEF and its global network of Member Associations (MAs) are champions for water quality on a regional level, providing convenient, affordable opportunities for training and networking with water professionals in your area.

To locate a Member Association in your region, visit www.wef.org

Associate

Dues based on annual sales, please contact a WEF specialist for specific information at +1-703-684-2452 or http://support.e-wef.org.

Associate membership is designed for firms and organizations that are suppliers and service providers to the water environment field and who decide to partner with the water quality community to do business more effectively. Associate Members are typically companies that exhibit at WEF specialty conferences and WEFTEC. Associate membership includes: savings on booth space, electronic contact information for WEF members who are employed as Manufacturers' Representatives (upon written request), and 10% off of the company's first advertisement in WE&T. Associate Membership dues are based upon the company's total gross annual revenue in the wastewater field.

One corporate contact, from the Associate member organization, is entitled to all base Professional member benefits as well as annual subscriptions to:

- *World Water & Environmental Engineering*
- *Water Environment Research* (*WER*) in print
- *Water Environment Regulation Watch*
- *Biosolids Technical Bulletin*
- *Industrial Wastewater Technical Bulletin*

WEF Has The World's Water Information Needs Covered

Water Environment & Technology (*WE&T*) and *World Water and Environmental Engineering* (*WWEE*) span the globe when it comes to providing access to cutting-edge technologies and innovative solutions to your most pressing water questions. *WWEE* provides the busy water professional timely and reliable information to learn, connect, buy, and sell in the global water market. *WWEE* is also available in Chinese.

Water Environment Research (*WER*) is one of the leading academic and research journals. *WER* publishes peer-reviewed research papers, research notes, state-of-the-art and critical reviews on original, fundamental and applied research in all scientific and technical areas related to water and ranks in the top 10% of views on IngentaConnect.

weftec 09
the water quality event™

If it's about water, It will be at WEFTEC

WEFTEC is the largest annual show of its kind in the world, offering you the best water quality education and training available today. Ranked in the top 100 by *Tradeshow Week*, WEFTEC provides:

- Networking opportunities with over 20,000 global water professionals
- Top educational program
- Leading water and wastewater technical exhibition
- Strong international presence
