

2012 *WE&T* editorial calendar

W*E&T* and *Operations forum* editors are looking for articles for upcoming issues. If you have an idea related to one of the topics below, please send an abstract, outline, or complete manuscript for review by the deadline listed. Submissions should be sent via e-mail to magazine@wef.org. All submissions must include the mailing address, phone

number, and e-mail address of the corresponding author.

Feature-length articles typically are 3000 words or fewer (including sidebars), and electronic submissions must be compatible with Microsoft Word. Authors are strongly encouraged to submit photographs and illustrations. For more information, please see "Author Information" at www.wef.org/magazine.

Month	Topics	Deadline
