<u>Alabama</u>

State Sponsor: Alabama's Water Environment Association (AWEA)

State Organizer: Karen Wong, karen.w.wong@amec.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.

Alabama SJWP Competition Details:

Teams of up to three participants are eligible to enter.

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF). If students do not participate in a science fair, other means will be instituted to conduct interviews if needed.

Alaska

State Sponsor: Alaska Water Wastewater Management Association (AWWMA)

State Organizer: Angie Monteleone; awwma@mtaonline.net

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.

Alaska SJWP Competition Details:

Teams are eligible to enter, however one member of the team must be chosen to represent the team if selected as the state winner.

The state winner will be selected by AWWMA's SJWP judging committee prior to our annual statewide conference to be held April 29-May 2, 2013 in Anchorage. The winner will be notified in advance of an announcement at the conference, and is encouraged to travel to the conference to accept the award if possible.

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

************Alaska was the 2009 SJWP National Competition Host

Arizona

State Sponsor: AZ Water Association (AZ Water)

State Organizer: Lisa Clifton, lisa3120@aol.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.

Arizona SJWP Competition Details:

Projects will be judged by research paper review.

Arkansas

State Sponsor: Arkansas Water Environment Association (AWEA)

State Organizer: Jane Hurley, hurleyj@adeq.state.ar.us

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.

Arkansas SJWP Competition Details:

Projects will be judged by research paper review and interviews.

California

State Sponsor: California Water Environment Association

State Organizer: Hugh Logan, <u>Hlogan.4water@gmail.com</u>

Deadline: Submit research paper at www.sjwp.org by May 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.
- The state winner will be invited to CWEA's 2014 Annual Conference, receive a \$250 cash prize, and winning paper will be published in CWEA's Wastewater Professional.

California SJWP Competition Details:

Projects will be judged through research paper review and interviews at the California All-State Science Fair. Other interviews of candidates will be conducted as needed.

Colorado

State Sponsor: Rocky Mountain Water Environment Association (RMWEA) - Includes states of Colorado, New Mexico, and Wyoming

State Organizer: Josh Stockwell, josh@fluid-technology.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The Rocky Mountain Water Environment Association will present cash awards to the best water-related projects in each state's science fair. \$400 to first place and \$200 to second place in water-related projects.

Colorado SJWP Competition Details:

Colorado SJWP candidates are typically chosen through research paper review and interviews at the Colorado Science and Engineering Fair held April. Regional certificates will be given out at science fairs to projects deemed eligible. All students receiving a certificate are encouraged to apply online for the Colorado State SJWP Competition.

RMWEA will select the state prize from the online applicants and may conduct phone interviews with the top candidates. One student/team will then be awarded the state prize and the opportunity to attend the national competition.

Connecticut

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership..
- The state winner will be recognized in *NEWEA News* and have an opportunity to attend the awards luncheon at the annual NEWEA conference.
- \$50 will be awarded by the Connecticut Water Pollution Abatement Association to the best qualifying SJWP project at the Connecticut State Science Fair in each of the following two categories: Physical Sciences and Life Sciences. A runner-up in each category will also be chosen. These awards do not reflect the winner of the state SJWP competition.
- The state winner of Connecticut will be awarded \$100

Connecticut SJWP Competition Details:

The Connecticut State Science Fair is a regular participant in the SJWP competition. Award certificates and two prizes will be given out at this fair, as described above. The Science Horizons Regional Fair has also participated in the SJWP competition. If you have a project in this fair, please call the Fair Director to confirm SJWP certificates will be awarded at this fair. All students receiving a certificate are encouraged to apply online for the Connecticut State SJWP Competition.

NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

.

Delaware

State Sponsor: Chesapeake Water Environment Association (CWEA)

State Organizer: Mathew Roder, P.E., mroder@brwncald.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.

Delaware SJWP Competition Details:

Projects will be judged by research paper review.

District of Columbia

State Sponsor: Federal Water Quality Association (FWQA)

State Organizer: Mathew Roder, P.E., mroder@brwncald.com

Deadline: Submit research paper at www.siwp.org by April 15, 2013.

Awards:

- The District's winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The District's winner will receive an SJWP state medal and a one-year WEF student membership.
- The District's winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

District of Columbia SJWP Competition Details:

Projects will be judged by research paper review and interviews at science fairs.

Florida

State Sponsor: Florida Water Environment Association (FWEA)

State Organizer: Tom Jones, tom.jones@aecom.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- All entrants will receive a one-year WEF student membership.
- The state winner will receive \$100 cash.

Florida SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Georgia

State Sponsor: Georgia Association of Water Professionals (GAWP)

State Organizer: Jack Dozier, jdozier@gawp.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

The state winner will be invited to present a poster at the GAWP Annual Conference and Expo. The winning student will have an excellent opportunity to meet industry professionals and will be assigned a mentor to welcome them to the conference and answer any questions they may have. The GAWP Annual Conference will be held in Savannah, GA, Summer 2013. See www.gawp.org for further information about the 2013 GAWP Annual Conference and Expo.

Georgia SJWP Competition Details:

Projects will be judged by GWEF member representatives and will include BOTH research paper review and interviews held at the 2013 GA ISEF State Fair in Athens, GA. **AND** projects submitted online at www.sjwp.org. ALL research papers must be submitted online at www.sjwp.org by April 15, 2013. A final winner will be selected from all papers submitted online in combination with any interviews held at the GA ISEF Fair in Athens, GA on March 21st 2013.

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

The Georgia WEF MA winner (not the final GA SJWP) will be announced at the 2013 ISEF final awards ceremony in Athens, GA.

The final GA SJWP winner will be announced once all papers have been reviewed after the April 15, 2013 deadline has passed.

For more details email sciencefair@uga.edu or jdozier@gawp.org

Hawaii

State Sponsor: Hawaii Water Environment Association (HWEA)

State Organizer: Jaime Nishikawa, JaimeN@rmtowill.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

Hawaii SJWP Competition Details:

The HWEA sends volunteer judges to select district science fairs consisting of the Hawaii Association of Independent Schools, Leeward, Windward, Maui, and the state science fair (all ISEF). From the pool of district winners, the judges then select a state winner to represent Hawaii at the national level.

<u>Idaho</u>

State Sponsor: Pacific Northwest Clean Water Association (PNCWA)

State Organizer: Catherine Chertudi, cchertudi@cityofboise.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student contribution to the water environment
- The state winner will receive \$100 award from PNCWA, and a trip to the annual PNCWA conference.

Idaho SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF). If no ISEF fairs are held in Idaho, research papers will be used for the selection of the state winner.

Illinois

State Sponsor: Illinois Water Environment Association (Illinois WEA)

State Organizer: Charles Corley, charles.corley@illinois.gov

Deadline: Submit research paper at www.sjwp.org by May 1, 2013

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership...
- The winner and parents will be invited as guests to the Illinois WEA Awards Banquet at their 2013
 Annual Conference and offered the opportunity to present her/his project.
- The winner's photo and project summary will be published in the Illinois WEA Summer 2013 Newsletter, the Illinois Clarifier.

Illinois SJWP Competition Details:

ISEF Fair Participants: Projects will be judged by research paper review and online submissions.

<u>Senior Division Illinois Junior Academy of Science Participants</u>: Projects will be judged annually at the May State Exposition at the University of Illinois, Urbana-Champaign Campus.

State Science Fair winners are awarded cash prizes and are given Associate memberships in IWEA. Illinois Water Environment Association, West Chicago, IL 60186-0337

<u>Senior Division Illinois Junior Academy of Science Participants</u>: Projects will be judged at the May 5, 2013, State Exposition at the University of Illinois, Urbana-Champaign Campus.

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by May 1, for consideration for the state prize even if you have not received a regional certificate.

<u>Indiana</u>

State Sponsor: Indiana Water Environment Association (IWEA)

State Organizer: Tiffany Boone, tboone@structurepoint.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The competition is co-sponsored by Craig Kelman & Associates, Ltd. (http://www.kelman.ca/index.html) Kelman provides \$500 prize for the student selected as the State winner.
- The state winner will have an opportunity to attend the awards luncheon at the annual IWEA conference.

Indiana SJWP Competition Details:

IWEA sends volunteers to various Regional Science Fairs throughout the State to select Regional Award winners and encourage students to submit their projects for the State Competition. The State winner is selected based on a review of submitted research papers. Students do not need to be Regional winners to be eligible for the State Competition.

<u>lowa</u>

State Sponsor: Iowa Water Environment Association (IAWEA)

State Organizer: Laurie Twitchell, ltwitchell@foxeng.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The SJWP state winner will be awarded \$500.
- The SJWP state winner will be invited to present their project at the IAWEA annual conference (www.iawpca.org).
- The junior division state winner (8th grade and younger) will be awarded \$100.

Iowa SJWP Competition Details:

"The IAWEA will have judges at the two ISEF regional science fairs in Iowa, the Western Iowa Science and Engineering Fair in Sheldon, Iowa and the Eastern Iowa Science and Engineering Fair in Cedar Rapids. A regional winner may be identified at each fair based on a review of the project and interviews. Judges will also be present at the State Science and Engineering Fair of Iowa in Ames, where a state winner will be identified through reviews and interviews similar to the regional fairs. In order to qualify for the state Stockholm Junior Water Prize (SJWP) winner, a research paper must be submitted to WEF by the appropriate state deadline and formatted according to WEF guidelines.

A student's research paper shall be the basis for selecting the state SJWP winner. This is different to years past. The state SJWP winner will not necessarily be the state winner, but may be a home-schooled student, regional or state winner. The state SJWP winner will be the student with the best research paper and will be sponsored to the national SJWP competition along with the student's teacher."

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

_

Kansas

State Sponsor: Kansas Water Environment Association (KWEA)

State Organizer: Rebecca Lewis, rlewis@wichita.gov

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- Complimentary 1-day registration to Member Association annual conference

Kansas SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Kentucky

State Sponsor: Kentucky-Tennessee Water Environment Association (KY-TN WEA)

State Organizer: Michelle Hatcher, hatchermm@cdmsmith.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

Kentucky SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Louisiana

State Sponsor: Louisiana Water Environment Association (LWEA)

State Organizer: Aimee Killeen, aimeekilleen@providenceeng.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- Invitation to MA Luncheon to discuss project.

Louisiana SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Maine

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The state winner will be recognized in *NEWEA News* and have an opportunity to attend the awards luncheon at the annual NEWEA conference.
- The state winner of Maine will be awarded \$500.

Maine SJWP Competition Details:

The Maine Science and Technology Fair is scheduled after the SJWP deadlines and has not participated in the SJWP competition. We encourage you to contact us if you have another science fair or particular student project for us to consider.

Any student who has completed an eligible project may submit their research paper online at www.siwp.org for consideration for the Maine State SJWP Competition by April 15, 2013. NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

Maryland

State Sponsor: Chesapeake Water Environment Association (CWEA)

State Organizer: Mathew Roder, P.E., mroder@brwncald.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

Maryland SJWP Competition Details:

The best project at each regional fair will be judged by interviews at ISEF fairs and papers by those students will be eligible for the Maryland SJWP competition, which will be judged by research paper review.

Massachusetts

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The state winner will be recognized in NEWEA News and have an opportunity to attend the awards luncheon at the annual NEWEA conference.

Massachusetts SJWP Competition Details:

Massachusetts SJWP candidates are typically chosen through the Massachusetts Regional Science Fairs; however, not all regions have participated. If you have a project in one of these fairs, please call the fair director to confirm that judging for the SJWP competition will be conducted. If you would like us to consider another science fair or particular student project, please contact the state organizer for more information.

Certificates will be given out at science fairs to projects deemed eligible. All students receiving a certificate are encouraged to apply online for the Massachusetts State SJWP Competition. If you feel you have a qualifying project, even if you have not received a certificate, you are eligible to submit your project online by April 15, 2013, for consideration of the state prize. NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

Michigan

State Sponsor: Michigan Water Environment Association (MWEA)

State Organizer: Laura Gruzwalski, lgruzwalski@hrc-engr.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

Michigan SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

<u>Minnesota</u>

State Sponsor: Central States Water Environment Association (CSWEA) – Minnesota Chapter

State Organizer: Chris Harrington, charrington@hrgreen.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- Cash awards will be presented by CSWEA to the following: State Winner \$100; First Runner Up -\$50; Second Runner Up - \$25

Minnesota SJWP Competition Details:

Projects will be judged by research paper review. Research papers are expected to follow the "National Paper Guidelines" as found on the WEF SJWP web page.

<u>Mississippi</u>

State Sponsor: Mississippi Water Environment Association ([MWEA)

State Organizer: Tim Estes, tim.estes@wpnet.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.

Mississippi SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Missouri

State Sponsor: Missouri Water Environment Association (MWEA)

State Organizer: Todd Archer; ArcherTD@cdmsmith.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The state winner will receive and invitation to MWEA/AWWA joint conference

Missouri SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF). Regional Science Fair Directors nominate a candidate for the state SJWP competition. MWEA selects the state SJWP winner and nominates that person for the national competition.

If you feel you have a qualifying project, regardless of whether or not you participate in a science fair, you are also eligible to submit your project online by April 15, for consideration for the state prize even if you have not received a regional certificate.

Montana

State Sponsor: Montana Water Environment Association (MWEA)

State Organizer: Kristi Kline, kjfarm@mtintouch.net

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment
- All entrants will receive a one-year WEF student membership.
- The Montana state winner and the winner of each of the four regional fairs held around the state (Havre, Great Falls, Butte, and Billings) will be awarded \$50 from MWEA

Montana SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Nebraska

State Sponsor: Nebraska Water Environment Association (NWEA)

State Organizer: Aaron Dressel, adressel@cityofyork.net

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will be awarded \$100 from NWEA.

Nebraska SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Nevada

State Sponsor: Nevada Water Environment Association (NWEA)

State Organizer:

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will be invited to attend the May 2013 NWEA Annual Conference in Las Vegas, Nevada.

Nevada SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF). If a junior high project is determined to be the best water-related project, the student and his/her parent will be sponsored to the national competition as an observer.

New Hampshire

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will be recognized in *NEWEA News* and have an opportunity to attend the awards luncheon at the annual NEWEA conference.

New Hampshire SJWP Competition Details:

New Hampshire does not have a state science fair program that is currently participating in the SJWP competition. If you would like us to consider a particular science fair or student project, please contact the state organizer.

Despite the lack of a science fair program, any student who has completed an eligible project may submit their research paper online at www.sjwp.org for the New Hampshire State SJWP Competition by April 15, 2013. NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

New Jersey

State Sponsor: New Jersey Water Environment Association (NJWEA)

State Organizer: Tom Meholic, meholic.thomas@gmail.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- Invitation for student, teacher and families to the NJWEA annual conference.
- NJWEA provides to all regional science fair winners: plaques, \$500.00 cash awards, and an additional plaque will be presented to the State SJWP Winner. All of this is awarded at the NJWEA Annual Conference Student Session in Atlantic City in May, 2013. The students, their teachers, families, and friends are our invited guests to the conference and awards presentation.
- The NJ State SJWP Winner and teacher's travel costs to the WEF National SJWP Competition is sponsored by the NJWEA. In 2011, NJWEA proudly sponsored our NJ State Winner Alison Bick, Short Hills NJ to the WEF SJWP National Competition in Chicago, II. Alison won the National Competition and later in August, went on to win the International 2011 Stockholm Junior Water Prize, in Stockholm, Sweden.

New Jersey SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

New Mexico

State Sponsor: Rocky Mountain Water Environment Association (RMWEA) - Includes states of Colorado, New Mexico, and Wyoming

State Organizer: Josh Stockwell, josh@fluid-technology.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The Rocky Mountain Water Environment Association will present cash awards of \$400 to first place, and \$200 to second place for the best water-related projects.

New Mexico SJWP Competition Details:

New Mexico SJWP candidates are typically chosen through research paper review and interviews at the New Mexico Science and Engineering Fair held in April. Regional certificates will be given out at science fairs to projects deemed eligible. All students receiving a certificate are encouraged to apply online for the New Mexico State SJWP Competition.

If you feel you have a qualifying project, you are also eligible to submit your project online by April 15 for consideration for the state prize even if you have not received a regional certificate. RMWEA will select the state prize from the online applicants and may conduct phone interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

New York

State Sponsor: New York Water Environment Association (NYWEA)

State Organizer: Jonathan Hoffman, johoffman@dep.nyc.gov

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will receive an invitation to the NYWEA Winter Conference in NYC..

New York SJWP Competition Details:

Projects will be judged by research paper review and interviews at ISEF fairs, including most regional fairs and the state fair.

North Carolina

State Sponsor: North Carolina Water Environment Association (NCWEA)

State Organizer: David Wagoner, wagonerdl@cdmsmith.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will receive a complimentary student registration and recognition at the NC AWWA-WEA Annual Conference.

North Carolina SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fair (ISEF) events or other qualifying science competitions.

North Dakota

State Sponsor: North Dakota Water Environment Association (NDWEA)

State Organizer: Wei Lin, wei.lin@ndsu.edu

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

North Dakota SJWP Competition Details:

Projects will be judged by research paper review and interviews at regional international science and engineering fairs (ISEF).

Ohio

State Sponsor: Ohio Water Environment Association (OWEA)

State Organizer: Judi Henrich, info@ohiowea.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner(s) will receive an invitation to Awards Brunch at MA Conference Tuesday, June 18, 2013.

Ohio SJWP Competition Details:

Candidates are typically chosen through the Regional Science Fairs and online submissions. Projects will be judged by research paper review and interviews at ISEF fairs. OWEA will notify all competitors of the results.

Oklahoma

State Sponsor: Oklahoma Water Environment Association (OWEA)

State Organizer: Debbie Smith, debra.smith@normanok.gov

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

• The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Oklahoma SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Oregon

State Sponsor: Pacific Northwest Clean Water Association (PNCWA)

State Organizer: Catherine Chertudi, cchertudi@cityofboise.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The winner(s) will receive a \$100 award from PNCWA, and a trip to annual PNCWA conference

Oregon SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Pennsylvania

State Sponsor: Pennsylvania Water Environment Association (PWEA)

Funding assisted by Eastern PA Water Pollution Control Operators Association

State Organizer: Carl E. Janson, cjanson@riordanmat.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

 The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Pennsylvania SJWP Competition Details:

Projects will be judged by research paper review and interviews at selected international science and engineering fairs (ISEF).

Puerto Rico

State Sponsor: Puerto Rico Water Environment Association (PRWEA)

State Organizer: Tamara De Leon, tamara.deleon@prwea.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

• The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Puerto Rico SJWP Competition Details:

Based on research paper review, up to 15 finalists will be selected to participate in the Discovering H_20 Science Fair on April 19, 2013. At this event, projects will be judged based on student interview and the Puerto Rico state winner will be selected.

Rhode Island

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner is recognized in *NEWEA News* and has an opportunity to attend the awards luncheon at the annual NEWEA conference.

Rhode Island SJWP Competition Details:

The Rhode Island Science and Engineering Fair has participated in the SJWP competition. If you have a project in this fair, please call the Fair Director to confirm if judging for the SJWP competition will be conducted. If you would like us to consider another science fair or particular student project, please contact us for more information. Certificates will be given out at science fairs to projects deemed eligible. All students receiving a certificate are encouraged to apply online for the Rhode Island State SJWP Competition.

If you feel you have a qualifying project, even if you have not received a certificate, you are eligible to submit your project online by April 15, 2013 for consideration for the state prize. NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

South Carolina

State Sponsor: Water Environment Association of South Carolina (WEASC)

State Organizer: Fred Castles, fcastles@cmdcsd.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- Up to 8 students (one for each region) will be awarded \$75 by WEASC. Please note, not all students who receive SJWP regional certificates will be awarded this prize.
- The state winner will have their paper published in *The Journal*, the official publication of the WEASC.

South Carolina SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

South Dakota

State Sponsor: South Dakota Water Environment Association (SDWEA)

State Organizer: Dr. Chris Schmit, christopher_schmit@sdstate.edu

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

South Dakota SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Tennessee

State Sponsor: Kentucky-Tennessee Water Environment Association (KY-TN WEA)

State Organizer: Michelle Hatcher, hatchermm@cdmsmith.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Tennessee SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Texas

State Sponsor: Water Environment Association of Texas (WEAT)

State Organizer: Chad Simmons, csimmons@ch2m.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The Water Environment Association of Texas will present a trophy for 1st, 2nd, and 3rd place.
- The Water Environment Association of Texas will present monetary awards for 1st (\$250), 2nd (\$100), and 3rd (\$50)

Texas SJWP Competition Details:

Texas SJWP candidates are chosen through the Texas Regional ISEF Science Fairs. While most Regional ISEF Fairs participate, a few do not. If you have a project in one of these fairs, please call the Fair Director to confirm if judging for the SJWP competition will be conducted. If you would like us to consider another science fair or particular student project, please contact us for more information.

Utah

State Sponsor: Utah Water Environment Association (UWEA)

State Organizer: Ken Burgener, kburgener@ndsd.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

• The state winner will receive an SJWP state medal and a one-year WEF student membership.

• The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Utah SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Vermont

State Sponsor: New England Water Environment Association (NEWEA)

State Organizer: Carina Hart, chart@fstinc.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will be recognized in *NEWEA News* and have an opportunity to attend the awards luncheon at the annual NEWEA conference.

Vermont SJWP Competition Details:

The Green Mountain Water Environment Association typically sends volunteer judges to the Vermont State Science & Math Fair to judge for the SJWP. If you would like us to consider another science fair or particular student project, please contact us for more information. Certificates will be given out at the science fair to projects deemed eligible for the Vermont State SJWP Competition. All students receiving a certificate are encouraged to apply online for the State Competition.

If you feel you have a qualifying project, even if you have not received a certificate, you are eligible to submit your project online by April 15, 2013 for consideration for the state prize. NEWEA will select finalists for the state prize from the online applicants and will conduct interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.

U.S. Virgin Islands

Sponsor: Seven Seas Water Corporation

Organizer: Lauren Thomas, lthomas@7seaswater.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The USVI winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The USVI winner will receive an SJWP state medal and a one-year WEF student membership.
- The USVI winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Utah SJWP Competition Details:

Projects will be judged by research paper review and interviews if necessary.

Virginia

State Sponsor: Virginia Water Environment Association (VWEA)

State Organizer: Nina Andgren, nina.andgren@uosa.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership. .
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- Regional and State Science Fair winners will receive monetary awards.

Virginia SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Washington

State Sponsor: Pacific Northwest Clean Water Association (PNCWA)

State Organizer: Catherine Chertudi, cchertudi@cityofboise.org

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The state winner will receive a \$100 award and a trip to the annual PNCWA conference.

Washington SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

West Virginia

State Sponsor: West Virginia Water Environment Association (WVWEA)

State Organizer: Chet Williamson, cwilliamson@suddenlinkmail.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

West Virginia SJWP Competition Details:

Projects will be judged by research paper review and interviews at international science and engineering fairs (ISEF).

Wisconsin

State Sponsor: Central States Water Environment Association (CSWEA)

State Organizer: Sharon Thieszen, sharon.thieszen@sheboyganwwtp.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

• The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.

- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.

Wisconsin SJWP Competition Details:

Projects will be judged by research paper review.

Wyoming

State Sponsor: Rocky Mountain Water Environment Association (RMWEA) - Includes states of Colorado, New Mexico, and Wyoming

State Organizer: Josh Stockwell, josh@fluid-technology.com

Deadline: Submit research paper at www.sjwp.org by April 15, 2013.

Awards:

- The state winner will receive a trip to the national competition in Portland, Oregon, June 14-15, 2013.
- The state winner will receive an SJWP state medal and a one-year WEF student membership.
- The state winner(s) will receive a certificate recognizing the student's contribution to the water environment.
- The Rocky Mountain Water Environment Association will present cash awards to the best water-related projects in each state's science fair. \$400 for first place, and \$200 for second place.

Wyoming SJWP Competition Details:

Wyoming SJWP candidates are typically chosen through research paper review and interviews at the Wyoming Science and Engineering Fair. Regional certificates will be given out at science fairs to projects deemed eligible. All students receiving a certificate are encouraged to apply online for the Wyoming State SJWP Competition.

If you feel you have a qualifying project, you are also eligible to submit your project online by April 15 for consideration for the state prize even if you have not received a regional certificate. RMWEA will select the state prize from the online applicants and may conduct phone interviews with the top candidates. One student will then be awarded the state prize and the opportunity to attend the national competition.
