

WEF COMMITTEES>>>																										
MEMBER ASSOCIATION (below)	Academic	Air Quality and Odor Control	Automation & Information Technology	Collection Systems	Disinfection	Government Affairs	Groundwater	Industrial Wastewater	Laboratory Practices	Manufacturers and Representatives	Membership	Municipal Wastewater Treatment Design	Operations Challenge	Plant Operations and Maintenance	Professional Development	Public Communications and Outreach	Residuals and Biosolids	Safety, Security and Occupational Health	Small Community	Stormwater Coordinating Council	Students and Young Professionals	Sustainability Community of Practice	Utility Management	Water Reuse	Watershed Management	Comments
Alabama's WEA				Collection Systems		Government Affairs		Industrial	Lab/Treatment		Membership			Wastewater Operations											Water Resources	
Alaska WWMA																										
AZ Water**	Young Professionals			Collection Systems			Water Resources		Laboratory Practices	Manufacturers & Representatives	Mbr Svcs	Reclamation				Public Relations	Residuals & Biosolids	Safety			Young Profs		Utility Council	Reuse		All Water & WW committees include plant O&M
Arkansas WEA			Technical	Collection Systems		Government Affairs		Lab/Pretreatment	Lab/Pretreatment		Membership		Operations Challenge			Public Relations		Safety			Young Profs					
Atlantic CN WWA	Technical Papers					Government Affairs					Membership		Operator Involvement		Education	Education					Young Profs		Education			
British Col WWA		Biosolids	SCADA & IT	Wastewater Collection	Residuals Management		Drinking Water	Biosolids/Wastewater Control/Wastewater Management				Wastewater Management/Wastewater Source Control	Conference Planning				Residuals Management		Small Water Systems	Watershed(Stormwater)	Young Profs	Water Sustainability/Climate Change	Energy Management		Watershed (Stormwater)/Water Sustainability	
California WEA		Engineering Research	Engineering Research	Collection Systems	Engineering Research	Government Affairs		Pretreatment Pollution Prevention and Stormwater (P3S)	Laboratory Training	Manufacturers		Engineering and Research	Annual Conference	Maintenance Training/Operator Training	Supergroup	Public Education	Biosolids	Safety		Pretreatment Pollution Prevention & Stormwater	Students & Young Professionals		Supergroup	Engineering Research	Engineering Research	
Central States WEA	Academic Excellence			Collection System		Government Affairs		Industrial Wastes	Laboratory	Manufacturers & Reps	Membership			Operations		Public Education	Biosolids	Safety			Students; YP				Watershed Management	CSWEA- represents IL, MN and WI
Chesapeake WEA				Collection Systems		Government Affairs			Laboratory Practices		Membership		Operations Challenge	Plant Operations and Maintenance			Biosolids & Residuals Management	Safety		Stormwater	Student Activities & Young Professionals			Water Reuse		
Federal WEA																										
Florida WEA		Air Quality	Communications	Collection Systems		Government Affairs	Integrated Water Resources	Industrial Pretreatment			Membership Action		Operations (1)	Operations (2)	Seminars	Public Communications/ Public Relations	Biosolids	Safety & Security		Integrated Water Resources	Students & Young Professionals/Student Ad Hoc	Integrated Water Resources	Utility Council/Utility Management	Reuse	Integrated Water Resources	
Georgia AWP	Student Activities	GWEF Industrial/GWEF Wastewater	GAWP Information Technology	GWEF Collection Systems	GWEF Wastewater Treatment	GAWP Legislative	GAWP Groundwater Section	GWEF Industrial	GAWP Laboratory	GAWP Exhibits	GAWP/GWEF Membership	GWEF Wastewater Treatment		GWEF Wastewater Treatment and GAWP Maintenance	GAWP Leadership Academy	GAWP Public Education	Residuals Rec	GAWP Safety, Disaster Preparedness/ Security	GAWP Small Systems	GAWP Stormwater	GAWP Georgia Water Network	GAWP Master Planning and GAWP Asset Management	GAWP Utility Management & Finance	GAWP Water Reuse	GAWP Water Resources Section	
Hawaii WEA	Research			Collection System		Government Affairs		Pretreatment/On-site Treatment	Laboratory		Membership		PWO and the Conference Committee	Through the Annual Conference Committee	Public Education, Webpage/Newsletter		Biosolids/Cogeneration				Student Activities and Young Professionals			Water Reuse		
Illinois WEA			Electrical Power, Energy & Controls	Collections		Governmental Affairs		Industrial Pretreatment	Laboratory		Membership			Plant Operations		Public Ed & Student Affairs	Biosolids	Safety			Public Ed & Student Affairs				Watershed	
Indiana WEA				Collection Systems		Government Affairs		Industrial	Laboratory			Municipal Pretreatment	Wastewater Challenge	Operations & Maintenance		Public Communications & Outreach	Residuals & Biosolids	Safety			Young Professionals	Utility Management				
Iowa WEA	Education			Collection Systems		Government Affairs		Industrial Pretreatment		Vendor	Membership					Public Relations/Public Ed	Biosolids	Safety			Young Professionals					
Kansas WEA				Collection Systems		Government Affairs		Industrial	Laboratory		Membership					Public Education	Biosolids	Safety			Students & Young Professionals	Municipal Management			Watershed Management	
Ky-Tenn WEA			Wastewater Technology	Collection Systems	Wastewater Technology	Government Affairs		Pretreatment			Membership	Wastewater Technology			Technical Program Development	Communications	Wastewater Technology				Young Professionals	Management Issues	Wastewater Technology	Wastewater Technology		
Louisiana WEA																										
Michigan WEA	Certification/ Education		Asset & Infrastructure Management	Collections		Government Affairs	Groundwater	Industrial Pretreatment	Laboratory Practices		Membership		Operations Challenge	Maintenance	WW Administrators	Public Education	Biosolids	Health & Safety	Lagoon	Stormwater Utility	New Professionals		WW Administrators		Watershed Management	
Mississippi WEA				Collection Systems					Laboratory		Membership						Biosolids									
Missouri WEA	Student Activities			Collection Systems		Government Affairs		Industrial Waste	Laboratory Practices		Membership	Program	Operator Assistance	Plant Managers		Public Relations	Biosolids	Safety, Security & Occupational Health	Small Flows	Stormwater	Young Professionals & Student Activities				Watershed Management	
Montana WEA	Education			Cross Connection		Government Affairs				Manufacturers' Representative	Membership			Honors & Awards			Biosolids & Beneficial Reuse	Honors & Awards	Honors & Awards		Scholarship			Biosolids & Beneficial Reuse		
Nebraska WEA				Collection Systems		Governmental Affairs		Industrial/Hazardous Waste			Membership			NWOD Advisory Training		Public Education		Safety			Students/Young Professionals - separate committees					
Nevada WEA				Tech & Prof Dev	Tech & Prof Dev						Mbrshp Svcs	Tech & Prof Dev	Tech & Prof Dev		Tech & Prof Dev	Outreach				Tech & Prof Dev	Tech & Prof Dev			Tech & Prof Dev	Tech & Prof Dev	
New England WEA			Information Technology & Automation (ad hoc)	Collection Systems		Government Affairs		Industrial Waste	Laboratory Practices	Manufacturers' Representative	Membership		Operations Challenge	Plant Operations		Public Education/Website/Media Relations/Water for People	Residuals Management	Safety	Small Community Outreach		Young Professionals/ Student Activities	Sustainability Advisory (ad-hoc)	Utility Management/Asset Management	Water Reuse	Watershed Management	
New Jersey WEA			Information Technology	Collection Systems		Legislative Analysis	Site Remediation	Industrial Environmental Quality	Laboratory		Membership		Operators Challenge			Public Education	Biosolids	Safety			Young Professionals					
New York WEA	Student/University			Wastewater Collections				Industrial Pretreatment			Membership			Wastewater Facilities		Public Outreach					Student/University	Sustainability			Watershed	
N. Carolina WEA			Automation	Collection & Distribution		Government Affairs	Residuals Management & Groundwater	Industrial	Lab Analyst	Exhibits	Membership		Conf. Local Arrangements	Plant Operations & Maintenance		Public Education	Residuals Management & Groundwater	Safety	Small Communities		Young Professionals	Sustainability		Water Reuse	Water Resources	
N. Dakota WEA	Student Affairs					Government Affairs		Industrial Pretreatment	Laboratory Practices		Membership				Professional Development Training & Development	Public Education		Operation and Safety								
Ohio WEA				Collection		Government Affairs		Industrial Waste & Pretreatment	Laboratory Analyst		Membership		Plant Operations	Plant Operations	Professional Training & Development	Publicity & Public Relations	Residuals	Safety	Small Systems	Government Affairs	Young Professionals		Utility Enhancement		Government Affairs	
Oklahoma WEA				Collection Systems		Government Affairs			Laboratory Practices		Membership					Public Education					Students & Young Professionals					
WEA of Ontario		Wastewater Treatment & Technologies	Wastewater Treatment & Technologies	Wastewater Collection Systems	Wastewater Treatment & Technologies	Government Affairs		Wastewater Treatment & Technologies			Promotions & Event Planning	Wastewater Treatment & Technologies	Operations Challenge	Professional Wastewater Operators		Public Education	Residuals & Biosolids	Environmental Health, Safety & Security	Wastewater Treatment & Technologies	Wastewater Collection Systems	New Professionals Committee	Joint WEAO/OWWA Asset Management	Asset Management	Wastewater Treatment & Technologies	Wastewater Collection Systems	
Pacific NW CWA		Odor & Air Quality		Collection Systems				Source control		Manufacturers	Member Services		Operations Challenge	Plant Operations & Maintenance	Leadership Training & Operator Certification	Public Education	Biosolids	Safety			Students & Young Professionals	Sustainability		Water Reuse		
Pennsylvania WEA	Research			Collection Systems		Government Affairs		Industrial Waste/Pretreatment	Lab Practices	Exhibits & Sponsors	Membership		Professional Wastewater Operations			Public Education	Biosolids	Safety			Young Professionals		Utility Management	Water Reuse		
Puerto Rico WEA						Government Affairs				Manufacturers Advisory	Membership	Wastewater	Opercom	Technical	Professional Operator	Public Outreach & Communication			Small Community System		Young Professionals & Students				Watershed Initiative	
Quebec-Reseau	Academic	Air Quality & Odor Control			Disinfection	Government Affairs	Groundwater			Manufacturers & Representatives	Membership	Municipal Waste Treatment		Partnership for Safe Water	Professional Development	Public Education	Biosolid landfilling		Decentralized systems	Wastewater Collection Systems	Students & Young Professionals		Partnership for Safe Water		Watershed management committee
