

LEADING THE FUTURE OF WATER

WEFTEC 2024 is more than just a conference—it's an immersive experience that empowers attendees to positively impact the future of water quality and environmental sustainability.

EDUCATIONAL CONTENT: Whether you're looking to drill down into a specific topic, find solutions for a current challenge, or stay updated on industry trends, WEFTEC offers valuable learning opportunities for anyone working in the water sector.

INNOVATIONS AND EXPERIENTIAL LEARNING: With over 800 exhibitors on site, WEFTEC showcases the latest innovations, technologies, and solutions in water quality management. On the show floor, you'll get hands-on experience with the latest technologies and engage directly with the supplier teams to solve your most challenging issues.

PROFESSIONAL NETWORKING: With over 21,000 water professionals converging in New Orleans, you'll find your professional home at WEFTEC. Connect with industry leaders, experts, and peers from around the globe and exchange ideas, forge partnerships, and expand your professional network.

CAREER DEVELOPMENT: From CEUs/PDHs to our Affinity groups, you'll immerse yourself in a dynamic environment where creativity thrives and collaboration flourishes. Attendees also earn continuing education credits, gain insights into career advancement opportunities, and stay informed about the latest job trends in the water industry.

Register today and join the movement of water professionals working toward a cleaner, healthier world.

CONFERENCE: Oct. 5–9 • **EXHIBITION:** Oct. 7–9 • **New Orleans, LA**
New Orleans Morial Convention Center
