

SPRINGBOARD PROGRAM

WHAT'S THE WEF SPRINGBOARD PROGRAM?

[The Springboard Program](#) provides young professionals (YPs) the opportunity to help develop programming for WEFTEC at the WEF Winter Meeting — and become more involved with WEF! All WEF YP members are welcome and encouraged to apply.

I was really excited to help integrate WEF's new strategic plan and appreciate the board members hearing our thoughts and opinions! I also learned a lot about the circular water economy and how to collaborate with others on this priority.
