If you need help navigating the Speaker Portal, please [watch this video](#). It will walk you through the steps you need to complete.

How to log-in?

The [Speaker Portal](#) is the same Attendee Interactive system that was used for the Abstract Submission Portal so logging-in should be easy. Please follow the instructions on the login page if you forgot your password and contact SWSummit@wef.org if you still have problems.

SPEAKER INSTRUCTIONS/ GUIDELINES

Notice of Withdrawal

Due: Immediately Upon Determination

At any time during the planning of this conference, if you are unable to participate, please notify WEF immediately and withdraw your presentation in the Speaker Portal. You must contact SWSummit@wef.org in order to withdraw.

Conference Registration

All speakers, alternates, and moderators must register and pay the appropriate registration fees. WEF offers all those on the technical program the advance member rate when they register. In the coming months you will receive information on registering for the conference. Registration is expected to open in March and will be posted on www.wef.org/stormwatersummit. *WEF encourages you to register for the conference and reserve a hotel room as soon as registration opens in February.*

Items Due March 15, 2023

Confirmation of Participation

You will need to either accept or decline the invitation to present by March 15. If you do not click on either option by this date, we will assume you do not want to participate, and your presentation may be removed from the technical program.

Updating List of Authors/ Confirmation of Speakers

It is critical that the author list be current. Make certain that all authors are included in this space. Please click on "Edit Title and Author Block" in the Speaker Portal and update this information. Most importantly, if you are not going to be the one presenting, please contact SWSummit@wef.org and ask to change the presenting author.

Please note that the presentation title and author list will be reflected in pre-event marketing and the onsite program based on the information provided in the online system. You will have until May 1st to change it for the onsite program and mobile app.

Speaker Bio and Photo

Please upload the presenting speaker's short biography (**500 characters or less**). This information will be used in advance publicity for the conference, as well as by your Session Moderator to introduce you. Please keep them brief as the time it takes for the moderator to introduce you will be included in your presentation time limit.

Please also upload a headshot or photo of yourself for use in our conference program and marketing materials.

Uploading of Speaker Resume or CV

WEF values the ability to attain continuing education approvals for Stormwater Summit technical sessions. We work very hard to apply for these approvals with a vast number of state agencies representing a growing number of professional license categories. WEF does this as a service to our attendees.

A growing number of approval boards have tightened their approval requirements by requiring WEF to provide Resumes/CVs for speakers. We ask for your assistance with this task by simply uploading a copy of your speakers existing Resume/CV file in PDF or MS word format. These files are for official, internal use only and will not be made available to the public or used for any other purpose.

Items Due May 1, 2023

Edit Title and Author Block

It is critical that the title and author block be current for printing in the onsite program. Click on “Edit Title and Author Block” in your Speaker Portal and make certain that all authors are included in this space in the correct order and that the manuscript title is correct. Most importantly, if you are not going to be the one presenting, please contact SWSummit@wef.org to make the change.

Any changes after this date cannot be accepted.

Items Due May 8, 2023

Final Manuscript

All speakers, including alternates, are required to prepare a full manuscript for the Stormwater Summit proceedings. Proceedings will be made available to all conference attendees, so they have a takeaway from your presentation.

License Agreement

In order for WEF to include your manuscript in the conference proceedings and for you to present your work, **you MUST complete and return the License Agreement- one for each author listed on the paper.**

Log-In to the Speaker Portal to complete this form online.

**If WEF does not receive a signed License Agreement Form with the title of the manuscript and all authors listed, your manuscript will not be published in the proceedings and the presentation removed from the program. **

Items Due May 16, 2023

Draft PowerPoint Slides

We are asking speakers to send a draft of their PowerPoint slide presentation to their respective Session Moderator for review. Please submit your slides to your Session Moderator by **May 16th**. Your Moderator will then provide you with any edits by **May 30th**. *WEF will provide Moderator contact details in a separate e-mail from the acceptance notification.*

Presentation Information and Guidelines

WEF will provide a slide template for this conference that will be sent in a separate email. We highly recommend you use this template. Should you choose to create your own template, we encourage you to select a background color that provides good contrast to your font and graphics.

Complicated Graphics, data tables, or all text slides should be avoided. Please use citations for unoriginal graphics, data, or information. Slides should be either pictures or bullets and should be sized so that the text is readable from the back of the rooms (50 feet).

**Note: It is WEF's policy that corporate/organization logos should not be used in presentations at WEF Conferences. If it is your employer's policy to use the logo in presentations, placement may be on the first and last slide only. **

All conference presentations will adhere to a uniform 30-minute period for each speaker. This includes time for introductions and answering questions from the audience. Speakers and alternates should prepare to speak for 20-22 minutes and be ready to answer questions for 5 minutes. Limiting the background information to just a few minutes will ensure that you have time to convey the important information in your presentation without rushing at the end. Session Moderator will strictly enforce this schedule.

**Please bring your presentation on a USB drive to the conference. In fact, we recommend that you bring at least 2 just in case. You are expected to provide your PowerPoint onsite as WEF does not collect final presentations. **

Onsite Speaker Briefing

Plan on attending the speaker briefing associated with your session. During the speaker briefing you will meet your Session Moderator and the other presenters in your assigned session. This opportunity is to allow for the Session Moderator to go over the session layout and any final details prior to the beginning of the session. Detailed information will be sent in an email closer to the conference.

The speaker briefing will most likely take place in the morning on the date of your presentation. WEF will provide the date, time, and location as we approach the conference.

If you are unable to attend the speaker briefing, you are responsible for notifying your Session Moderator
