any other official WEF hotel for any other reason.

#### Equipment Demonstrations and/or Entertainment

Equipment being demonstrated should be set at least 2' from the aisle line of the exhibit. Space must be left within the exhibit area to absorb the booth personnel and spectators. At the sole discretion of the Exhibitions Manager or her designee, should the spectators interfere with the normal traffic flow in the aisle, overflow into neighboring exhibits, or divert aisle traffic, the demonstration must be limited or eliminated.

If moving equipment or displays with moving parts are being used, it must be presented and function in a safe manner with appropriate safeguards to assure the safety of all present in the exhibition halls. The Exhibitor is solely liable for the operation of all displays and agrees to indemnify and hold WEF, its officers, directors, volunteers, employees, guests, invitees, and agents harmless from any and all claims of liability arising out of Exhibitor's exhibit, demonstrations and the like.

WEF reserves the right, in its sole discretion, to restrict demonstrations or entertainment which is objectionable or disruptive to the overall character of the Exhibition.
