

WEF/IWA Residuals and Biosolids Conference 2019

May 7 - 10, 2019
Greater Fort Lauderdale-Broward County Convention Center
Fort Lauderdale, Florida

WORKSHOP PRESENTER FORMS and INSTRUCTIONS

** Please read carefully and promptly supply all information requested. **

IMPORTANT DUE DATES

Confirmation of Participation and Bio

Due in AI: January 4, 2019

Please confirm your participation and provide each speaker's biography and CV. This will secure your place in the workshop program. This information is essential for Continuing Education procedures and will be used in advance to publicize the conference, as well as by your workshop coordinator to introduce the speaker during the conference.

If you need help navigating the Speaker Portal, please [watch this video](#). It will walk you through the steps you need to complete.

Confirmation of Workshop Marketing Description

Due in AI: January 4, 2019

The Workshop Coordinator is required to submit a three to five sentence description of the workshop for use in marketing materials.

NOTE: As you prepare for the conference please remember that we follow the break/lunch schedule listed below.

| | |
|-----------------|-------------------|
| Morning Break: | 10:00am – 10:30am |
| Lunch: | 11:45pm – 1:30pm |
| Afternoon Break | 3:00pm – 3:30pm |

Presentation Title and Author Block Changes

Due in AI: April 3, 2019

You must update AI with the final presentation title and author listing. This should match the final

presentation you will present onsite.

PowerPoint Presentation from Each Presenter

Due in AI: April 22, 2019

WEF will publish a Workshop Workbook containing PowerPoint presentation and any other supplemental handouts and distribute copies onsite to attendees and presenters. This deadline includes PowerPoint slides, final agenda, and any supplemental material. **Workshop presentations must be submitted as a PowerPoint file not as a PDF file.** You will receive an email with a link on how to submit your final materials through the AI system in the coming months. Please note that WEF collects these presentations for handouts only and will not bring electronic files onsite. **Each speaker is responsible for bringing his/her own copy of their presentation.**

Workshop and Conference Registration

Due to the level of work and preparation workshop speakers and coordinators put forth as they prepare for their event, WEF will provide each confirmed speaker with a complimentary workshop registration. The individuals identified on the final speaker list will not need to register for the workshop, we will take care of that.

PLEASE NOTE: The complimentary registration is for the workshop **ONLY**. Individuals who would like to participate in other areas of the conference must register and pay the appropriate registration fee. WEF offers all presenters the advanced registration rate offered to all WEF members. Registration is expected to open in January 2019.

CONFERENCE and REGISTRATION INFORMATION

Workshop Registration

WEF will provide the workshop **coordinator** and **confirmed speakers** a complimentary workshop registration.

WEF staff will register confirmed speakers. (There is nothing speakers need to do.)

Conference Registration

WEF offers all speakers in workshops and the technical program the Super Saver Rate (advanced member registration price) for the Residuals and Biosolids 2019 Conference. ****Speakers who wish to take part in the conference must register on their own and pay the registration fee.****

Please note that lunch is provided for Full Day workshop registrants only. Lunch is not provided for Half Day workshop registrants.

If you have any questions on the proceeding information, please contact:
