LAY THE FOUNDATION FOR THE NEXT 10 YEARS OF IMPACT.

In March 2020, Imagine H2O's international network will convene in San Francisco for a series of events designed to examine challenges and opportunities at the heart of our water's future in the next decade. Sponsors will get prime visibility across the week's events and be

highlighted in digital outreach to our network of water leaders, entrepreneurs, investors, philanthropic partners, and government officials. Sponsors will also have exclusive opportunities to interact with peers and Imagine H2O startups and partners.

“It’s mind-blowing to see how a small group of dedicated people can have this amount of impact in the water tech sector. In the EU we talk a lot about water tech valorization and the start-up climate, IH2O really shows how it’s done.”
