

The exhibiting company (“Exhibitor”) listed in this application applies for contracted exhibit space (“Exhibit Space”) at the 2022 Innovations in Process Engineering (“Event”). WEF agrees to review your Exhibit Space Application and to allow or to deny participation in the Event consistent with Event eligibility requirements, policies, and at the discretion of WEF®. Exhibitor, by signing this License for Exhibit Space (“License”), agrees to the following provisions:

INTRODUCTION

The Innovations in Process Engineering provides its members and public conference registrants with an educational program with an emphasis on experience and cutting edge technological advances in the fields of water and wastewater treatment, process engineering, the development of emerging technology, and the modeling and design of those processes. The Innovations in Process Engineering exhibition is an integral part of the educational offerings; products and services displayed, advertised, posted, linked, or demonstrated must be related to the water quality industry and content must be presented in a manner that adheres to professional business standards and creates a context appropriate for all participants at the Innovations in Process Engineering. Should WEF determine, in its sole discretion, that an exhibit, or demonstration violates this license, is inappropriate, or is not in the best interests of the conference, WEF may require that the exhibitor make changes to its display, dismantle its display, remove the inappropriate content or links, or cease the inappropriate demonstration(s) as deemed necessary.

This license is being granted to the Exhibitor to permit the Exhibitor to exhibit at the Innovations in Process Engineering. Failure of the Exhibitor to fully comply with all provisions of this License may result in the termination of this License to participate in the Innovations in Process Engineering. To permit the preparation of the Exhibition in a timely manner and to create the appropriate environment for all the participants at the Innovations in Process Engineering, the policies, regulations, and procedures, including the schedule of certain activities, have been established by WEF. At its sole discretion, WEF reserves the right to unilaterally change, amend, or waive any of these requirements. All exhibitors are required to comply with WEF’s contracted online platform Terms of Use and may be required to agree to the Terms of Use of additional third-party platforms in order to take full advantage of all services and events included in the Innovations in Process Engineering.

EXHIBIT SPACE

If approved by WEF, the Exhibit Space shall be used solely by the Exhibitor whose name appears on this Exhibit Space Reservation and Contract. The Exhibitor will not sublet or assign any portion of same or share the Exhibit Space allotted with another Exhibitor, individual, business, or firm. Exhibit Space is assigned after a completed Exhibit Space Reservation and Contract is received by WEF.

Space is assigned on a date-received basis. WEF reserves the right to assign, designate or change Exhibit Space locations. WEF reserves the right to reassign exhibit space and to modify the floor plan.

All invoices due to WEF must be paid prior to the assignment or occupation of exhibit space or exhibitor demonstrations. If, during the Event, the Exhibitor is in violation of this License, WEF has, at any time, the right to regain the immediate possession of any Exhibit Space. Further, WEF reserves the right to this License and to determine eligibility of any company or product for inclusion in this Event.

WEF does not guarantee any specific result including but not limited to any specific number of leads, sales, visits, views, or any form of interaction with the exhibit as a result of this License, exhibiting at the Innovations in Process Engineering. A lack of engagement with an exhibitor's exhibit will not be grounds for any form of refund or compensation.

EXHIBIT SPACE FLOOR LAYOUT & DESIGN

WEF reserves the right to assign, designate or change Exhibit Space locations. The aisles belong to WEF unless otherwise noted. Neither exhibits nor advertising material will be permitted to protrude into the aisles. End cap Exhibit Space is not permitted as the back wall blocks the line of sight to other in-line Exhibit Spaces in the same aisle. WEF reserves the right to control and prohibit any disturbing noises produced by an Exhibitor. Any unfinished portion of an Exhibit Space must be draped at the expense of the Exhibitor.

LOCAL LAWS

Exhibitor shall comply with all applicable laws and regulations including, but not limited to, those relating to health and safety, as well as WEF directives relative to number of persons in their Exhibitor Space, social distancing, face coverings, and any other directives issued by WEF to Exhibitor.

PAYMENT

Assignment of Exhibit Space is contingent upon receipt of payment in full. Reservations will not be processed without payment in full of the booth rental fee. All invoices due to WEF must be paid prior to the assignment or occupation of exhibit space.

Exhibitors who paid fees by credit card may not challenge cancellation fees charged to such credit card for cancellation fees as set forth in this provision.

Exhibitor is eligible for the Exhibitor Member rate if the Exhibitor has a paid Exhibitor membership at the time of billing and continuously through to the time of the Exhibition.

CANCELLATION AND NO-SHOW POLICY

All booth space deposits and payments become the sole property of WEF and their return is subject to the cancellation and refund provisions as follows:

- Exhibitor shall provide WEF with a written notice of the space cancellation. Cancellations are not effective until received by WEF in writing. Written cancellations may be sent by e-mail to expoinfo@wef.org.
- Exhibitors who provide a written cancellation on or before March 21, 2021, will be liable for liquidated damages equal to 25% of the total contracted booth space fee; any fees paid that exceed the amount of liquidated damages due will be refunded.
- Exhibitors who provide written cancellation after March 21, 2021, but prior to 4:30 pm, June 20, 2022, will be liable for liquidated damages equal to 100% of the total contracted booth space fee.
- Exhibitors who do not claim their space or for which special arrangements have not been made by 4:30 pm on Monday, June 20, 2022, will forfeit the space and pay as liquidated damages 100% of the total contracted booth space fee.

If the Exhibitor reduces the Exhibit Space reserved, cancellation fees will apply to the portion of the Exhibit Space cancelled. WEF cannot guarantee the originally assigned space if Exhibitor reduces the originally reserved Exhibit Space and reserves the right to reassign the Exhibitor as necessary to maintain the integrity of the floor plan.

Any Exhibit Space unoccupied or for which special arrangements have not been made by 4:30 pm on Monday, June 20, 2022, will be regarded as a "no-show." The Exhibitor will be deemed to have cancelled

the Exhibit Space Reservation and Contract and the Exhibit Space, must forfeit their Booth Personnel Registration Badges, rights to the attendee list and all other exhibiting benefits, and must exit the Event immediately. WEF reserves the right to determine sanctions imposed on Exhibitor as a result of a no-show including, but not limited to, the prohibition of Exhibitor at any future WEF event.

Exhibitor agrees to indemnify, defend and hold the Water Environment Federation, its directors, officers, agents, representatives and employees, and each of them, Hyatt Regency Miami, other Event vendors, and their respective facilities, agents, officers, board members and employees harmless against all claims, losses, damages, liabilities, costs, and expenses (including attorneys' fees), damages to persons or property and governmental charges or fines arising out of or caused by: (i) the installation, removal, maintenance, occupancy or use of the Event premises or a part thereof; (ii) the performance or the breach of any term of this License, applicable laws and regulations, or directive of WEF; or (iii) the negligence, gross negligence or willful misconduct of Exhibitor, its employees, agents or contractors. WEF shall determine, at its sole discretion, whether usage of any WEF Trademark by Exhibitor is inconsistent with the educational mission of the Exhibition, or creates a less than positive, wholesome image of WEF, and Exhibitor agrees to cease any such unacceptable use immediately upon receipt of notice from WEF of such unacceptable use.

EXHIBITION RULES AND REGULATIONS

WEF Exhibition Management reserves the right to make changes, amendments and additions to the rules at any time, and all changes, amendments and additions so made shall be binding on the exhibitor with the provision that all exhibitors will be advised of any such changes. If the Exhibitor fails to cure the violation, or if WEF determines that the violation constitutes a danger to others, the Exhibition Manager may immediately terminate the offending exhibitor's license and thereupon the Exhibitor shall cease its operation at the Innovations in Process Engineering and will be removed from the Exhibition. Upon such termination of the Exhibitor's license by the Exhibition Manager, the Exhibitor shall not receive any refund or credit for any expense, loss, or liability due to the action of the Exhibition Manager. Provided the Exhibition Manager shall have acted in good faith the Water Environment Federation shall have no liability to the Exhibitor for any expense, loss, or liability.

The Exhibitor acknowledges that Virginia law exclusive of its conflicts of law provisions governs the parties' rights and obligations under the agreement. The Exhibitor further acknowledges that venue for any dispute lies exclusively with either the U.S. District Court for the Eastern District of Virginia or the courts of the Commonwealth of Virginia.
