Key programs (please highlight 1-4 programs within your MA)
• Annual two-day Specialty Conference centering on a specific topic or theme. The Vice President is in charge of organizing and planning this conference.
• Voluntary Collection Systems Certification, through the ABC certification program. This voluntary program was implemented in 2015 beginning with a Class 1 certification. Class 2 certification has since been offered
and the first Class 3 certifications will be issued in June 2017. This program is administered by the Voluntary Collection System Certification Program Committee members.

- Young Professionals activities. The YP Chair and Committee members organize a minimum of two social events per year in conjunction with the annual state conference and the annual Specialty Conference.
- Arkansas is proud to host WEFMAX in 2018, and we have started planning some exciting activities. We hope you will choose to experience WEFMAX in “The Natural State” and look forward to seeing you all in Arkansas in 2018!
