TERMS and CONDITIONS

2. Definitions

- a. “Licensed Product” means the version of the Proceedings of the Water Environment Federation journal in object code accessible on WEF’s Internet website.
- b. “Authorized Users” means only the employees, faculty, staff, and students officially affiliated with the Subscriber at the Authorized Site, and persons with legal access to the library’s collections and facilities at the Authorized Site, using an IP address within the range identified in the Appendix (page 5). Authorized Users may be persons remote from the Subscriber’s physical location whose access is administered from the Authorized Site, but not persons at remote sites or campuses or, employees of a branch campus or facility in another city. Subscribers that wish to include more than one physical location in their subscription should contact WEF.

3. License Granted

WEF grants to the Subscriber and Authorized Users at the Subscriber’s Authorized Site a renewable, nonexclusive, nontransferable license to access the Licensed Product. The Subscriber will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Subscriber’s IP addresses are not used to access the Licensed Product by other than Authorized Users. The Subscriber warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this License. Furthermore, the Subscriber will make every attempt to enforce the terms of this License upon receiving information from WEF or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this License.

4. IP Addresses

Authorized Users will be recognized and authorized by their Internet address. IP addresses and/or address ranges for the Subscribing Institution are indicated in the Appendix, which is incorporated into this agreement by this reference.

5. Permitted Use

The Subscriber and Authorized Users are permitted online access to the Licensed Product indicated in Section 1, and may download, save, or print text, search results, or other information from the Licensed Product solely for the private use or research of the Subscriber and the Authorized Users. The Subscriber and Authorized Users may only use this online access in a way that conforms to all applicable laws and regulations.

WEF grants the Subscriber and Authorized Users permission for brief quotations from the content of the Licensed Product with the customary acknowledgment of the source, and to copy and transmit content from individual articles in "person-to person" and non-systematic scholarly exchanges of information between Authorized Users and specific individuals.

The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than indicated above, including but not limited to any commercial use, is a violation of the terms of this License.

6. Prohibition on Certain Uses

Altering, recompiling, systematic or programmatic copying, reselling, redistributing, publishing or republishing (beyond the brief quotations permitted under Section 5) of any journal text, output, search results, or other information from the Licensed Product, or any portion thereof, including without limitation, copyright, proprietary and/or other legal notices contained therein, in any form or medium is prohibited. Systematic or programmatic downloading (for example, downloading entire journal issues), service bureau redistribution services, printing for fee-for-service purposes and/or the systematic making of print or electronic copies for transmission to nonsubscribers or nonsubscribing institutions (such as in "interlibrary loan") are prohibited. Downloading portions of the Licensed Product for the purpose of creating preloaded systematic and persistent local copies (not including transient, dynamic caches of individually requested material) for redistribution is prohibited. All rights not expressly granted are reserved to WEF. The Subscriber and Authorized Users may not circumvent WEF's access control systems or use WEF's systems or services to make any attempt to gain unauthorized access to any other system or network.

WEF shall not be required to distribute, and Subscriber shall not redistribute Licensed Product included therein to a country where the export thereof is prohibited by U.S. law or regulation.

7. Duration of License

This License will become effective on receipt by WEF of the License signed by an authorized agent of the Subscriber and the License fee, and, subject to the terms and conditions of this License, will remain in effect while the Subscriber maintains a current paid print or online subscription. If the institution's subscription lapses, WEF will provide the Institution and its Authorized Users with continuous access to the content published during the subscription year, but access to backfile content included in the subscription will cease if the subscription lapses. This License will terminate:

- a) Following thirty (30) days' prior written notice that any term or condition of this License is violated for any reason, knowingly or unknowingly, provided that violation is not remedied with all reasonable haste, meaning not more than five (5) business days after notification. The foregoing notwithstanding, WEF reserves the right to suspend access to the service immediately upon detecting a breach of this License. WEF will use reasonable effort to notify the Subscriber as soon as possible, usually within three (3) days of any such suspension of service, by sending e-mail to the address you supplied in Section 1.
- b) Following thirty (30) days' prior written notice by WEF of any change in the terms of this License, receipt by WEF of notice from the Subscriber in writing, or by e-mail or by fax that the Subscriber does not accept such change or changes. (In the absence of any such objection by Subscriber,

WEF's new terms shall apply.) This License shall renew automatically for the term of any Print or Online Subscription upon receipt by WEF of payment for that subscription.

8. Copyright

All rights to the Licensed Product and its content (including abstracts), including but not limited to copyright, are the sole and exclusive property of WEF. The Licensed Product is protected by all applicable copyright, database protection and other rights of WEF under the laws of the United States and other countries. Copyright notices in the Licensed Product may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of Licensed Product and/or any of its content is a violation of copyright laws.

9. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to the License Product Online Journal at any time. WEF, however, will not be liable for any delay, downtime, transmission error, software, or equipment incompatibilities, force majeure or other failure of performance. WEF will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such corrections.

10. Official Version of Record

WEF will use commercially reasonable efforts so that the online version of Licensed Product corresponds in content with the print version, but WEF does not guarantee that they do. In the event of any discrepancy between the print and online versions, the print version will be the official version of record.

11. Usage Rights of Lapsed Subscribers

Upon lapse of subscription, Subscribers will retain access to the subscription years of the Licensed Product that are purchased. Lapsed subscribers will not retain access to any additional content that is made complimentary to current subscribers.

12. Disclaimer of Warranties; Limitation of Liability; Indemnification

WEF warrants that it is entitled to grant this License. WEF does not warrant that the content contained in the Licensed Product or in update will meet the needs or requirements of the Subscriber or its Authorized Users. WEF MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED PRODUCT, INCLUDING ITS QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, AND COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

WEF SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE THE LICENSED PRODUCT, WEF'S PERFORMANCE UNDER THIS LICENSE, TERMINATION OF THIS LICENSE BY WEF OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF WEF IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF WEF FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE SUBSCRIBER TO WEF FOR THE SUBSCRIPTION FOR THE SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE.

The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against WEF unless suit is filed thereon within one (1) year after the event giving rise to the claim. WEF has no control over how the Subscriber and its Authorized Users access and utilize the Licensed Product and does not and cannot warrant the results obtained by such use. The Subscriber assumes sole responsibility for all use of the Licensed Product by the Subscriber and by each Authorized User. In the event of a breach of this License by the Subscriber or Authorized Users, the Subscriber agrees to indemnify and hold WEF harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this License and otherwise for WEF's defense of

indemnified claims), losses and threatened losses arising from, or in connection with, that breach, including without limitation, claims of unauthorized use.

13. General

This License constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this License are for convenience only and are not to be considered in construing the terms of this License. Subject to termination under Section 6, this License may be amended only by consent (via mail, e-mail, or fax) of both parties. If WEF sends notice to the Subscriber of changes in the terms of this License, lack of response by the Subscriber within a thirty (30) day period will be taken as acceptance of the new terms. Subscriber may not make any changes to this License without written consent by WEF.

The Subscriber must pay any taxes (including but not limited to any applicable Value Added Taxes, Sales Taxes, and Import Taxes) other than taxes on WEF's net income, arising out of the Subscriber's use of the LICENSED PRODUCT and/or the rights granted under this license.

The Subscriber may not assign or transfer its rights under this License. The provisions of Sections 2, 4, 5, 8, 10, 11, 12, and 13 hereof shall survive any expiration or termination of this License.

This License will be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia, applicable to contracts entered into and fully performed in the Commonwealth of Virginia. An action arising out of, or relating to, this License or any of the s shall be brought in courts situated in the City of Alexandria, Virginia, and the parties consent to the jurisdiction of such courts.

I have read and agree to adhere to and abide by all the terms and conditions stated above, and I certify that I am authorized to sign this License on behalf of the Subscribing Institution identified in Section 1 above.

**APPENDIX
INSTITUTIONAL IP ADDRESSES/RANGES**

WEF has enabled IP-address-based access control for institutional subscribers. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots (e.g., 192.58.150.10). All computers on a local area network, or subnet, may have the first two or three number groups in common. Access to Licensed Product from your institution's Authorized Site will be provided based on the IP addresses and/or ranges you provide. (It is recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.) IP addresses for locations other than the Authorized Site will not be accepted under this License.

WEF will accept as many as ten (10) IP addresses and/or ranges (Class B, Class C, and single station) via this form. Note that Class B requests will be subject to additional review by WEF Technical Staff. Please contact the WEF Publication Customer Service Office (see p. 4) if you need to register a proxy or caching server, or if you have any additional questions. You also may consult the WEF Web site (www.wef.org/wer) for additional information on registering for online access.

All information provided regarding your IP addresses will be verified by WEF. Your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please provide your IP addresses/ranges in the following formats:

- Class B Network: enter the first two (network) numbers and use asterisks for the host addresses, i.e., 128.58.*.*
- Class C Network: Type the first three (network) numbers and an asterisk for the host addresses, i.e., 192.58.150.* (ranges are acceptable; type 192.58.150.* - 192.58.152.* to indicate Class C ranges)
- Single Station(s): Type all four numbers, i.e. 192.40.158.10 (ranges are acceptable; type 192.58.150.10 – 192.58.150.30 to indicate ranges of single stations)
