

Water Leadership Institute Hotel and Travels Tips

July Meeting in Virginia

The training will take place at our local utility, Alexandria Renew. No specific hotel room block has been reserved, but we recommend you stay at Westin. The closest airport to the training site is Ronald Reagan National Airport (DCA). DCA is about 10-15 minutes from the training venue. You can also use the Metro to King Street and take the free Trolley down King Street to your block and walk to your hotel. The Eisenhower Metro stop is also close.

If you can't fly into DCA, Dulles International Airport (IAD) is the second closest airport, and Baltimore is the third closest (BWI). Please note that the metro doesn't go to IAD yet. There is a shuttle bus that will take you to the metro.
