

Operational and Design Excellence

Innovative Technology Award

- 1996 Instrumentation – CEM Corporation
Process Equipment - Scientific Utilization, Inc.
Collection Systems – Marsh-McBirney, Inc.
Solids Handling/Disposal – RDP Company
- 1997 Instrumentation - Madison Metropolitan Sewer District
Process Equipment - JWC Environmental
Collection Systems – Thermaco, Inc.
Solids Handling/Disposal – Great Lakes Aqua Sales
- 1998 Instrumentation - Royce Instrument Corporation
Process Equipment – Zenon Environmental Systems, Inc.
Collection Systems – Waterlink, Inc./Hycor Corporation
Solids Handling/Disposal - Putzmeister, Inc.
- 1999 Instrumentation – Polysonics
Process Equipment - U.S. Filter, Envirex Products Group
Collection Systems – American Logiball
Solids Handling/Disposal - Westfalia Separator, Inc.
- 2000 Instrumentation - Tribal Software, Inc.
Process Equipment – Meurer Industries Inc.
Collection Systems – American Cast Iron Pipe Company
Solids Handling/Disposal – Fairfield Service Company/Silicon-Rolunds AB
- 2001 Instrumentation – Detection Instruments Corporation
Process Equipment – Biomixer Corporation
Collection Systems – Parkson Corporation
Solids Handling/Disposal – JWC Environmental
- 2002 Instrumentation – Detection Instruments Corp.
Process Equipment – Biomixer Corporation
Solids Handling/Disposal – Fournier Industries, Inc.
- 2003 Instrumentation - Industrial Test Systems, Inc.
Process Equipment – Brentwood Industries
Solids Handling/Disposal - JWC Environmental
- 2004 Instrumentation - Danfoss “Danfoss EVITAR INSITU 4100 Nutrient Analyzers”
Process Equipment – Schreiber LLC “Fuzzy Filter”
Solids Handling/Disposal – Parkson Corporation
“THERMO-SYSTEM TM Solar Sludge Dryer”
- 2005 Instrumentation – Marsh-McBirney, Inc. “Flo-Dar Flowmeter”
Solids Handling/Disposal – FKC., Ltd. “FKC Screw Press Technology”
- 2006 Solids Handling/Disposal – JWC Environmental Services “Monster Separation System”
Collections Systems – ADS Environmental Services “Intelliserve”
- 2007 Collection Systems – Steinhardt Gmbh/Gabriel Novac & Associates
Instrumentation – Sycamore Continuous Hydrogen Sulfide Emissions Monitor
Solids Handling/Disposal – Headworks XTRACTOR
- 2008 Collection Systems Category- ADS Environmental Services – ADS Spider
Instrumentation Category- Accusonic Technologies- Accusonic 7510+
Process Equipment Category- AquaAerobic Systems, Inc.- Aquadiamond® Filter
Solids Handling/Disposal Category- Penn Valley Pump Company- Double Disc Pump
