

WEF Operator Scholarship

WEF is pleased to support operator training with an Operator Scholarship. The purpose is to provide funding for individuals who are seeking water sector operator education, training, or certification to enter the industry or to advance their knowledge, skills, abilities or license. Eligible individuals must be 1) seeking an entry-level operator's license, or 2) a licensed entry-level or above operator seeking professional development. The amount of funding will be equal to the cost of the education or training, up to \$5,000. The application MUST include cost documentation from an education or training organization with the application. The application period is January 15 through April 1, annually.

Application Information

1. Name
2. Address
3. WEF Membership Number
4. E-mail
5. Member Association Name
6. Current employer
7. Amount Requested
