

A Note From Our Chair

Welcome to the Water Environment Federation (WEF)′s Membership Committee. We are pleased that you have decided to volunteer your time to help fulfill WEF′s mission and vision. WEF′s committees are the driving force in the work the organization produces. So, whether this is your first time serving as a volunteer or you are also active in other member groups, committee service is a terrific opportunity to become more involved and make a difference in the Federation.

The Membership Committee meets virtually (using a web-based software platform) on the **first Tuesday of each month at 3:00pm Eastern/2:00pm Central**. We also have one in-person meeting annually at WEFTEC, WEF′s Annual Technical Exhibition and Conference. Our meetings, virtual and in-person, are an opportunity for you to connect with other water professionals around the world. At these meetings, we discuss membership priorities for WEF, as well as how your colleagues may be approaching issues of mutual interest from around the country and globe.

As you serve on the Membership Committee, I would appreciate your active participation and feedback on our initiatives. If you have questions, ideas or suggestions, you are welcome to contact me (a.berry@trotter-inc.com) and/or our Demetris Johnson, Vice-Chair (demetrisjohnson3@yahoo.com) . Our WEF staff liaisons are Alison Heron, MBA, CAE, Senior Director of Membership and Customer Relations (aheron@wef.org) and Camille Sanders, CAE, Director of Membership (csanders@wef.org) .

Again, welcome. We look forward to working with you.

Kind Regards,

Aaron Berry, P.E., MBA
Chair, Membership Committee
