

 **wef** membership

for the GLOBAL MARKET

success by
association

wef membership

Since 1928, the Water Environment Federation (WEF) has guided technological development in the water community. As the leading source of water quality information, WEF provides its members, public officials and the general public with the necessary tools to improve quality of life through the sustainable management of water resources, water protection, and water and wastewater treatment.

Member benefits

A Community of Professionals with a Global Vision

WEF Is Your Access to Water Knowledge

Gain access to the latest research, news, conference papers and discussion forums pertaining to the top water quality issues

WEF Gives You a Voice For Change

WEF members are eligible for participation in committees and enjoy full voting rights. No matter what your membership level, WEF wants you to be involved

WEF Connects You Professionally

Network with over 33,000 of your fellow leading water professionals around the globe, exchanging knowledge and creating sustainable solutions

WEF Connects You Commercially

WEFTEC and other commercial opportunities offered by WEF, provide you with the best access to products and services available in the market today

WEF Provides Premier Educational Opportunities and Materials

The vast array of publications, books, conferences and an expanding number of distance learning activities available are unsurpassed in scope and content.

WEF Member Associations

WEF and its global network of Member Associations (MAs) are champions for water quality on a regional level, providing convenient, affordable opportunities for training and networking with water professionals in your area. To locate a Member Association in your region, visit www.wef.org

FACT

According to the United Nations Development Programme (UNDP), over 1 billion people lack access to water and over 2.4 billion lack access to basic sanitation.

ACTION

WEF engages with like-minded organizations whose mission is to provide access to safe and sustainable drinking water and sanitation to global communities. WEF members actively participate in these organizations to make access a reality:

- Engineers without Borders
- European Water Association (EWA)
- Inter-American Association of Sanitary and Environmental Engineers (AIDIS)
- International Water Association (IWA)
- Peace Corps
- Singapore Water Association (SWA)
- Stockholm International Water Institute (SIWI)
- United Nations Environmental Program (UNEP)
- United Nations Council for Sustainable Development (UN-CSD)
- Water for People
- World Water Council
- WEF is the only water organization to hold accreditation as an Advisor to both the U.N. Council for Sustainable Development, the U.N. Environmental Program.

For more information on WEF's activities with the organizations listed, please visit: www.wef.org/wefglobal.

Global professional memberships

Global Professional Membership

Dues | US\$ 140

The foundation of WEF membership is the philosophy that every individual member, working in water quality, contributes to making our world a better place to live.

Global Professional Low-income Option

Dues | US\$ 61

Global Professional membership, with the Low-income Option, is available to any individual, living outside of the U.S., U.S. Territories and Canada, in a region identified by the World Bank as a Low-income country. The Low-income Option provides Global members with access to all Professional membership benefits.

For a listing Low-income countries as identified by the World Bank go to www.wef.org.

e-Global Professional

Dues | US \$ 32

Specifically created to provide access to a network of professionals who believe all people, regardless of their circumstances, have the right to clean water and basic sanitation. Available to any individual, living outside of the U.S., U.S. Territories and Canada, this membership package includes all Professional membership benefits that are available in electronic and online format. e-Global members are full-voting members, but do not receive any discounted WEFTEC or conference member registration rates.

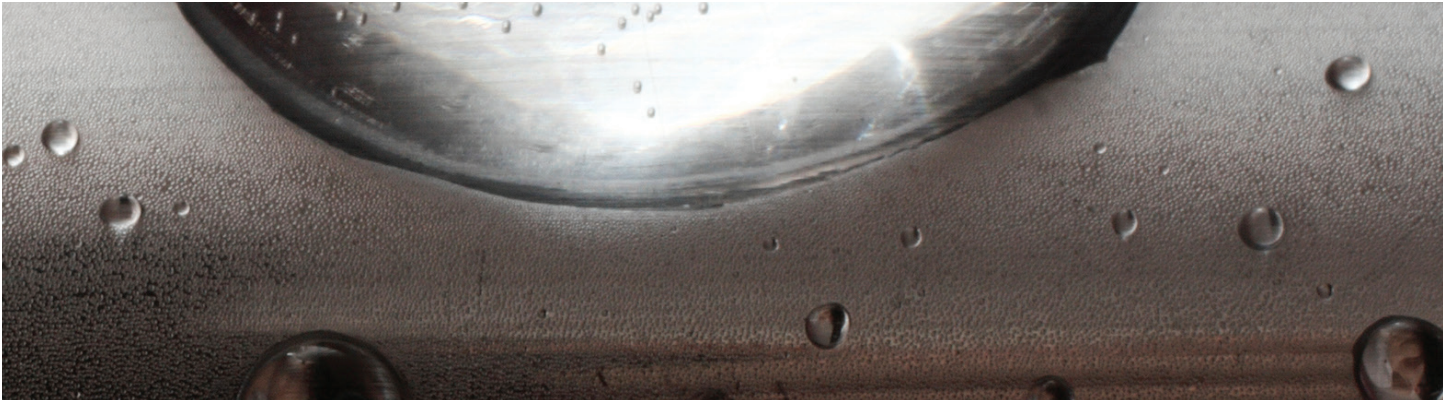

Global Corporate Membership

Dues | US \$ 368

Designed for companies that support the water quality industry and wish to affiliate their organizations with the leaders in water quality, this membership comes with one Corporate Contact who receives the Global Professional Membership benefits.

Your access to a world of information

Water Environment & Technology (WE&T), World Water (WW) and World Water: Water Reuse & Desalination (WWR&D) span the globe when it comes to providing access to cutting-edge technologies and innovative solutions to your most pressing water questions. *WW* and *WWR&D* provide the busy water professional timely and reliable information to learn, connect, buy, and sell in the global water market. *WW* is also available in Chinese. *Water Environment Research (WER)* is one of the leading academic and research journals. *WER* publishes peer-reviewed research papers, research notes, state-of-the-art and critical reviews on original, fundamental and applied research in all scientific and technical areas related to water and ranks in the top 10% of views on IngentaConnect.

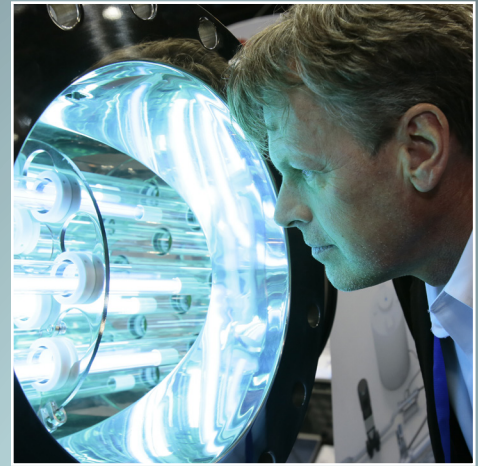

If it's about water, it will be at WEFTEC

WEFTEC is the largest annual show of its kind in the world, offering you the best water quality education and training available today. Ranked in the top 100 by *Trade Show Executive*, WEFTEC provides:

- Networking opportunities with over 22,000+ global water professionals
- Premier technical education program with over 100 sessions
- Leading water and wastewater technical exhibition
- Strong international presence

www.weftec.org

Exhibitor membership

Exhibitor membership is designed for firms and organizations that are suppliers and service providers to the water environment field and who decide to partner with the water quality community to do business more effectively. Exhibitor Members are typically companies that exhibit at WEF specialty conferences and WEFTEC.

Exhibitor membership includes: savings on booth space, electronic contact information for WEF members who are employed as Manufacturers' Representatives (upon written request), and 10% off of the company's first advertisement in *WE&T* and *World Water*. Exhibitor Membership dues are based upon the company's total gross annual revenue in the wastewater field.

One corporate contact, from the Exhibitor member organization, is entitled to all base Professional member benefits as well as annual subscriptions to:

- *Water Environment Research (WER) Online*
- *Water Environment Regulation Watch*

Global Membership Application Job Codes 2017

To help us serve you better, please complete the following:

Choose the one that most closely describes your organization and job function and enter it in the Employment Information section of the membership form.

1. What is the nature of your ORGANIZATION? (circle one only) (ORG)

- | | | |
|---|--|---|
| 01 Public/Private, Wastewater and/or Drinking Water and/or Stormwater (e.g. municipality, utility, authority) | 05 Consulting or Contracting Firm (e.g., Engineering, Contracting, Environmental, Landscape Architecture) | 09 Manufacturer of Water/Wastewater/Stormwater Equipment or Products |
| 02 Public/Private Wastewater only (e.g. municipality, utility, authority) | 06 State, Federal, Regional Government Agency (e.g., U.S. EPA, State Agency, etc.) | 10 Water/Wastewater/Stormwater Product Distributor or Manufacturer's Rep. |
| 03 Public/Private Drinking Water only (e.g. municipality, utility, authority) | 07 Research or Analytical Laboratories | 11 Public/Private Stormwater (MS4) ProgramOnly |
| 04 Industrial Systems/Plants (Manufacturing, Processing, Extraction) (please specify) | 08 Educational Institution (Colleges, & Universities, Libraries, Non-profits, & other related organizations) | 12 Public Finance, Investment, and Banking |
| | | 13 Non-profits (e.g., Trade association, NGO, Advocacy, etc.) |
| | | 99 Other (please specify) _____ |

2. What is your Primary JOB FUNCTION? (circle one only) (JOB)

- | | | |
|--|--|---|
| 001 Management: Upper or Senior (e.g., President, Vice President, Owner, Executive Director, Director, General Manager, etc.) | 03 Engineering & Design Staff (e.g., Consulting Engineer, Civil Engineer, Mechanical Engineer, Chemical Engineer, Landscape Architect, Environmental/Wetland Scientist, etc.) | 06 Purchasing/Marketing/Sales (e.g., Purchasing, Sales Person, Market Representative, Market Analyst, etc.) |
| 02 Management: Engineering, Laboratory, Operations, Inspection, Maintenance (e.g., Superintendent, Manager, Section Head, Department Head, Chief Engineer, Division Head, Landscape Architect, etc.) | 04 Scientific & Research Staff (e.g., Chemist, Biologist, Analyst, Lab Technician, Environmental/Wetland Scientist, etc.) | 07 Educator (e.g., Professor, Teacher, etc.) |
| | 05 Operations/Inspection & Maintenance (e.g., Shift Supervisor, Foreman, Plant Operator, Service Representative, Collection Systems Operator, BMP Inspector/maintenance, etc.) | 08 Student |
| | | 09 Elected or Appointed Public Official (Mayor, Commissioner, Board or Council Member, etc.) |
| | | 10 Other (please specify) _____ |

3. What areas do you consider to be your KEY FOCUS AREAS? (circle all that apply) (FOC)

- | | | |
|--|--|--|
| 001 Collection Systems | 09 Residuals/Sludge/Biosolids/Solid Waste | 16 Water/Wastewater Analysis and Health/Safety Water Systems |
| 02 Drinking Water | 10 Stormwater Management/Floodplain Management/Wet Weather | 17 Other _____ |
| 03 Industrial Water/Wastewater/Process Water | 11 Toxic and Hazardous Material | |
| 04 Groundwater | 12 Utility Management and Environmental | |
| 05 Odor/Air Emissions | 13 Wastewater | |
| 06 Land and Soil Systems | 14 Water Reuse and/or Recycle | |
| 07 Legislation (Policy, Legislation, Regulation) | 15 Watershed/Surface Water Systems | |
| 08 Public Education/Information | | |

4. Optional Items (OPT)

How many years have you worked in the industry?

1. 1-5
2. 6-10
3. 11-20
4. 21-30
5. >30 years

Gender

1. Female
2. Male

Education level? (ED)

- | | |
|----------------------|---------------------|
| 1. High School | 5. Bachelors Degree |
| 2. Technical School | 6. Masters Degree |
| 3. Some College | 7. JD |
| 4. Associates Degree | 8. PhD |

Education/Concentration Area(s) (CON)

1. Physical Sciences (Chemistry, Physics, etc.)
2. Biological Sciences
3. Engineering Sciences
4. Liberal Arts
5. Law
6. Business
