Member benefits

Enhance Your Industry Skills

Stay on top of advances, trends, and proven solutions through WEF's highly regarded technical education and training opportunities.

Facilitate Lifelong Learning

Choose your training and earn CEUs and PDHs through WEF's educational programs, including: WEFTEC®, WEF Specialty Conferences, hot topic seminars, workshops, and free webcasts for all individual WEF members.

Champion Productive Relationships

Within WEF and Member Associations (MAs), members work to help each other develop and grow professionally, while building valuable relationships with industry partners and prospects.

WEF Member Associations

Included in WEF membership is membership to your local Member Association – champions for water quality on a regional level, providing convenient, affordable opportunities for training and networking with water professionals in your area.

Enrich Your Leadership Potential

Gain leadership skills that can be applied to your career by volunteering your service to WEF and a WEF MA committee.

Increase Awareness and Recognition in Your Field

Each year, WEF presents awards for outstanding contribution to the water environment profession.

Master Your Career Goals

Tap into the leading career network for the water community, WEF's Job Bank, where dozens of new jobs are posted each month.

The WEF Utility Partnership Program (UPP) consolidates a utility's WEF members on to one annual account, streamlining the renewal process and maximizing your resources.

Unique UPP Benefits

Up to five (5)* new members can be added by the utility each year, at no charge, for the first year of membership
One consolidated, yearly invoice for all members
Free membership for two (2) designated public official(s)*
Lowest rates on WEFTEC Full Conference registration
Free access to WEF Webcasts for all individual WEF members
Up to 40% off most WEF publications and WEF Knowledge Center courses

About WEF

Since 1928, the Water Environment Federation (WEF) has guided technological development in the water community. As a leading source of water quality information, WEF works to provide its members, public officials and the general public with the necessary tools to engage in or learn ways to improve quality of life through the sustainable management of water resources, water protection, and water and wastewater treatment.

Program Enrollment

Step 1

Contact WEF's UPP Program Manager at upp@wef.org or 1-703-684-2400 x7750.

Step 2

WEF will provide a list of current and former members within your utility, allowing you to specify which members will be designated in your Utility Partnership Program.

Step 3

You determine when you want your UPP cycle to begin. WEF staff will synchronize renewal dates and pro-rate any necessary dues amounts.

Step 4

WEF will consolidate all current and new memberships into your new annual invoice.

WEF Member Associations
