

WATER ENVIRONMENT FEDERATION 2019

COLLECTION SYSTEMS CONFERENCE

RACE TO INDY – 25 YEARS OF
WET WEATHER CONTROL

Conference: June 4–7 | Exhibition: June 5–6
Indiana Convention Center | Indianapolis, IN

www.wef.org/CollectionSystems

Join us to celebrate 25 years of wet weather control, featuring: continued advances in wastewater collection systems, in-depth looks into projects implemented in the Indianapolis area, and interactive experiences with equipment and technology designed to provide high-quality collection systems infrastructure throughout the county.

HIGHLIGHTS INCLUDE:

- 2 Pre-Conference Workshops
- 2 Facility Tours
- 13 Technical Sessions
- Exhibition

DON'T MISS THIS 4-DAY EVENT
REGISTER BY APRIL 12 FOR THE BEST RATE!

This conference is held by the Water Environment Federation in cooperation with the Indiana Water Environment Association and The Water Research Foundation.
