the water quality event™

CONNECTING THE WORLD TO CLEAN WATER

Water quality professionals from around the world come together at WEFTEC to exchange ideas, experience innovative approaches, and network with the water community.

This year, we have expanded WEFTEC to include virtual education, exhibitor showcase, and networking components through our NEW virtual event, WEFTEC Connect.

- Learn from the brightest and most innovative minds in water quality
- See what's new in water quality equipment, products, and services
- Form partnerships and share experiences, ideas and solutions
- Grow your professional network and make new business contacts
- Earn valuable education credits
- Connect and learn 365 days of the year - WEFTEC Connect offers year-round access to WEFTEC content and contacts

Attend WEFTEC in-person or virtually...the choice is yours!
