

LET WEF HELP YOU STAY UP-TO-DATE WITH OUR LATEST STUDY GUIDE

The Wastewater Operator's Guide to Preparing for the Certification Examination

Prepared jointly by the Water Environment Federation, the Association of Boards of Certification, and the Certification Commission for Environmental Professionals, this essential study guide outlines what you can expect from the exam, provides key formulas, and lets you test your skills with approximately 200 sample questions. Updated job tasks and types of knowledge are addressed in four levels of competency. 2016
