In this introspective training workshop, participants will gain a better understanding of themselves and others based on the B.A.N.K. Personality Model. You'll learn why opposites attract and attack, helpful communication tools, and how to get the most out of your professional and personal relationships with others.

Taylor Hoopii and Don Faumuina are proud Honolulu Police Officers that work with the community during their off duty hours through Time4Change.

As an island, our land is a finite resource. Here participants will follow the journey of our opala (trash) through the City and County of Honolulu's solid waste programs.

The YP Summit precedes WEFMAX being held at the same location on April 16-17, 2020.
