Item	Description	Use	Qty
	<p>General Information Brochure</p> <p>Single fold glossy brochure</p>	<p>Used as promotional item. It can be handed out at science fairs, MA meetings, schools, civic organizations, environmental fairs such as Earth Day, public etc. Anywhere that will help spread the word about the SJWP competition.</p>	
	<p>Regional Award Certificate w/Certificate Holder</p> <p>(Must be ordered together)</p>	<p>Hand out to students who meet the SJWP qualifications of grades 9-12 who have conducted water-science research projects.</p> <p><u>Purpose:</u> to get them to enter your state competition. Instructions are on inside cover of certificate holder</p>	
	<p>Handout Invitations for state competitions</p> <p>(These can be customized for your state)</p>	<p>The invitation handout is for projects that meet the criteria, however, may not be quite at the level for a regional award. This will encourage the student to enter the competition anyway. Our goal is to foster student's interest in water by having them enter the competition.</p>	
	<p>Middle School Acknowledgement Certificate</p>	<p>To handout to middle school student who have conducted water-science projects. This is an acknowledgement and incentive to enter the SJWP once they become eligible.</p>
