This will be an excellent opportunity for YPs to participate in the highest levels of policy advocacy before Congress and the Administration, as well as to build professional connections with water professionals from across the nation also attending the National Water Policy Fly-In.

If you are interested in attending, and are a YP, WEF will provide you with a \$400 scholarship and cover the cost of your registration. Awardees are responsible for their own travel, accommodations and any additional expenses. We are specifically looking for YPs from Delaware, West Virginia, Oklahoma, Missouri, California and North Carolina to attend the Fly-In – though scholarships are available to all YPs!

The application window to apply will be March 1 - 20, 2022, with awardee notified before March 28, 2022. Please visit <https://www.wef.org/advocacy/water-week/> on March 1 to apply.
