

2020 SINGAPORE INTERNATIONAL WATER WEEK

APPLICATION DEADLINE:

Friday, January 10, 2020 | 5:00 PM EST

SCHOLARSHIP INFORMATION

The Water Environment Federation, National Association of Clean Water Agencies and The Water Research Foundation in partnership with the host utility, Singapore PUB announce the 2020 Singapore International Water Week Scholar Program.

When: July 5 – 9, 2020

Who should apply & why: High-level managers of a U.S. water or wastewater utility. General Managers and CEOs are highly encouraged to apply!

Additionally, you must be a member of at least one of the following: WEF, NACWA, or Water Research and/or work for an agency that is a Water Research subscriber.

This scholarship program is seeking to attract utility leaders who are interested in or have a working knowledge in the following 2020 SIWW interest areas:

- **Climate Resilience**
- **Resource Efficiency**
- **SMART Utility**

The United States delegation of utility leaders will experience valuable international knowledge exchanges, endless networking opportunities and more!

Cost: A full scholarship to SIWW (to cover economy travel, lodging, registration) will be approximately \$6,000 to \$8,000. The scholarship committee is striving to award as many scholarships as possible; therefore, applicants will be required to assume a portion of the cost.
