New Jersey Water Environment Association (NJWEA)

PO Box 1212

Fair Lawn, NJ 07410

Phone: (201) 296-0021

Fax: (201) 296-0031

Approval Details:

The New Jersey Water Environment Association is the acting approval agency for all Water Environment Federation courses in the State of New Jersey. WEFTEC is typically approved based on this arrangement.

Exhibition Hall hours are not approved by New Jersey for credits. WEF's certificates and transcripts will be accepted and operators are required to submit this documentation to the NJWEA directly.

WEF is also responsible for reporting participation details for all NJ participants.
