

Water Environment Research invites you to a WER Publication Workshop: How to Publish Your Research at WEFTEC 2019

Panelled by the Editor-in-Chief of *Water Environment Research*, **Zhen (Jason) He**, and the Publishing Manager from Wiley, **Jennifer Satten**, this publication workshop will provide an overview of the submission, review, and publication processes for your research papers.

The Workshop will consist of three parts:

- Part 1** **Pre-submission:** Writing a great paper, tips for best discoverability and SEO tips, publication ethics
- Part 2** **Submission:** Choosing the right journal and navigating the peer review process from submission through revision to acceptance
- Part 3** **Post-Publication:** Acceptance, production and publication workflow, self-marketing

At the end of the Workshop you will have learnt how to:

- ✓ Write a great paper
- ✓ Gained a better understanding on how to choose the right publication for your paper and what is expected from the submission and peer review process
- ✓ Use tips and tricks on how to increase visibility of your published articles

To be held on **Monday September 23rd** in **Room S104** between **1.30pm and 3.00pm**.

To reserve your place please contact **Lorna Ernst** at lernst@wef.org
