- Visit Leading Drone Technology Exhibitors
- Pilot a UAS Flight Simulator Hands-On
- Attend Daily Sessions (schedule below)
- Experience Drone Data in Mixed Reality
- Watch Live Drone Flying in the Demo Cage
- Operate Underground/Underwater Drones

Drone Education Center Sessions Schedule

Monday

Time	Session
10:30	Using Drones for Infrastructure Mapping and Inspections
11:30	Utilizing Drones for Sewer & Underground Utility Inspections
2:00	The Benefits of Drones in the Water Sector
3:00	Drones, Digital Data Collection, Automation, and Machine Learning

Tuesday

Time	Session
10:30	Leveraging Drones for Confined Space Inspections
11:30	How Can Drone Utilization Impact Employee Safety and ROI?
2:00	Types of Environmental Sensors for Drones
3:00	AI and the Power of Autonomous Drones

Wednesday

Time	Session
10:30	Best Practices for Establishing a Safety Ecosystem for UAS Operations
11:30	A Look at the Future of Drone Technology
