CONNECTING THE WORLD TO CLEAN WATER

5 - 9 OCTOBER, 2020

YOUR ACCESS TO THE ALL VIRTUAL

Organized

www.weftec.org
#WEFTEC

5 - 9 OCTOBER, 2020

WEFTEC Connect is a dynamic, immersive learning experience, that takes the best of our in-person event, reshapes it for the virtual world, and delivers it all directly to you.

- Live, interactive learning with Q&A
- Pre-recorded technical presentations
- View content on demand for a full year
- Talk directly with product and service suppliers in the water sector
- Set-up 1:1 audio/video-enabled appointments or instantly message company contacts
- Watch video product launches and equipment demonstrations and download resources
- Connect with your community through text chat channels or audio/video-enabled roundtables
- Allow AI-technology to match you for peer-to-peer exchanges with other attendees and exhibitors based on data provided when you build your participant profile

EDUCATION

Each day WEFTEC Connect offers a mixture of real-time, interactive learning events and on-demand technical sessions! Presentations will be available when WEFTEC Connect opens and can be accessed at anytime for a full year.

TECHNICAL SESSIONS

Approximately 150 sessions in the following tracks:

- Research and Innovation
- Industrial Issues and Treatment Technology
- Municipal Wastewater Treatment Process and Design
- Facility Operations and Maintenance
- Residuals and Biosolids Management
- Disinfection and Public Health
- Collection Systems
- Stormwater Management
- Watershed Resources Management and Sustainability
- Utility Management and Leadership
- Water Reclamation and Reuse
- Future Insights, Global Issues, and Sustainability

EXHIBITOR SHOWCASE

The WEFTEC Connect Exhibitor Showcase allows you to talk directly with the most knowledgeable product and service suppliers in the sector. Set-up appointment times, see video demonstrations, download resources, and schedule follow-up meetings.

Search exhibitors by name, product category, or location to find their company profile. Use AI-powered matchmaking to identify specific contacts you want to meet with and instantly chat or schedule 1:1 video meetings.

EXHIBITOR PROFILES INCLUDE

- Company description
- Website information
- Product categories
- Contact information
- Product downloads and videos
- Meeting scheduling

WHAT TECHNOLOGY WILL I SEE IN THE EXHIBITOR SHOWCASE?

- Biosolids & Sludge
- Chemicals and Chemical Handling
- Contract Operations
- Drinking Water Treatment
- Equipment/Processes Engineering & Consulting
- Industrial & Hazardous Waste
- Industrial Internet of Things
- Management Instrumentation, Controls, and Automation
- Pipe and Collection Systems Pumps, Valves and Motors
- Safety Equipment
- Sampling and Laboratory Equipment/Services
- Solids Processing/ Biosolids Management
- Stormwater Treatment Equipment/Processes
- Wastewater Treatment Equipment/Processes

EXHIBITOR POWER HOURS

Monday 5 October –
Friday 9 October
12:00 pm – 2:00 pm

You can access the exhibitor showcase at anytime, but Exhibitor Power Hours will also be available – dedicated time for solution sessions, customer meetings, live product launches, and demonstrations.

NETWORKING

Make the most of your WEFTEC Connect experience by using our engagement tools.

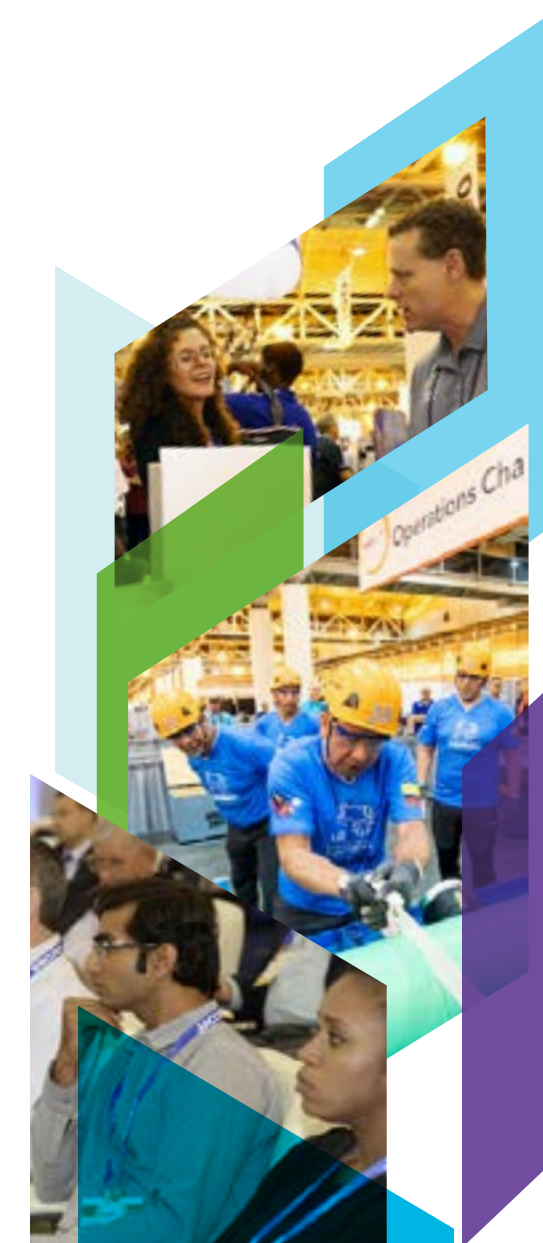

- Participate in interactive sessions and join discussion rooms with speakers, sector leaders, and your peers.
- Converse with your community of practice through text chat channels or audio/video-enabled roundtables.
- Allow AI-technology to pair you for 1:1 chats with other attendees and exhibitors that share your interests based on data provided when you build your participant profile.
- Have some fun with your colleagues and your family at the social events, like the Monday Movie, WEF Awards and Presidential Ceremony and Celebration, Wrap Party, and more!

REGISTRATION RATES	STANDARD RATE after 14 August 2020
