

Low Ceiling Booth List – as of 4/14/20

Listed companies are islands or shared islands within the low ceiling area in Halls E and F (25' ceiling) or H and I (22' ceiling). The listed booth is completely under the low ceiling unless indicated otherwise *with italics* and the **estimated** amount of the booth under the ceiling in parentheses. To view the booths and the shaded low ceiling areas, [visit the online floor plan](#).

Truss and motors are not allowed in the low ceiling areas. Exhibitors with booths in the low ceiling area must make advance rigging arrangements with Freeman. Contact the Freeman New Orleans Rigging Department at 504-733-7469 or via email at NewOrleansRigging@freeman.com. Visit the [Exhibitor Service Manual](#) for complete booth guidelines.
