

Perimeter Booth List

Listed companies are defined as Perimeter booths, which have the following specific design regulations.

- The maximum height of 12' (3.66m) is allowed only in the rear 5' of the booth.
- The maximum height allowed in the front 5' of the booth is 4' (1.22m).
- Display materials should be arranged in such a manner so as not to obstruct neighboring booths' line-of-sight.
- Graphics and signage must display forward to the aisle (perpendicular from neighboring booths).
