CUSTOMS CLEARANCE MODES

- ✓ **PERMANENT IMPORTATION:** Goods, which will remain in the U.S., are subject to any applicable duties and taxes, merchandise processing fees (MPF) and for ocean freight shipments, Harbour Maintenance Fees (HMF). After permanent importation, goods may be sold, given-away, returned to the country of origin, or shipped to a different destination. All giveaway items, including brochures, are dutiable.
- ✓ **ATA Carnet:** A carnet is used as a “merchandise passport” and allows temporary clearances without paying duties & taxes. The Carnet must be in English and have all goods listed with values and HTS numbers. The goods cannot be sold, destroyed or left in the United States and must be exported prior to expiration of the Carnet document. Failure to export within the required time period will result in fines and penalties .

NOTE: All low value shipments with duties being less than USD 250.00, will be cleared through U.S. Customs on a permanent entry. High Value shipments that will return to country of origin should be cleared under Carnet is also recommended. Contact Kuehne + Nagel for further details.
