

As an exhibitor at WEFTEC, we view our relationship with you and your company as a long-term partnership. We want to make sure we're doing everything we can to help your company have a positive and productive exhibiting experience.

We are providing a series of five strategic planning exercises to help you address the strategic factors that determine the difference between exhibiting success or failure. We strongly encourage you to not only download each of these exercises, but more importantly to do the quick exercises presented. If you do, you will dramatically improve your odds of having a successful exhibiting experience.

<u>CRITICAL SUCCESS FACTOR #1</u>: DEFINE YOUR OUTCOMES

Clarity is power! Half of success is simply being crystal clear about what you want to accomplish. The other half is creating workable action plans and executing to achieve your goals. We recommend that you get together with your marketing and sales management team and work through the four-step process outlined below.

1. What are your top three reasons for exhibiting? (Examples: build market visibility /awareness, maintain visibility/presence, introduce new product/service, sales leads, new customers, cross/upsell existing customers, market research, branding, recruiting, media exposure, customer/prospect meetings, find reps/dealers/distributors, other?)

| 1 | |
|---|------|
| 2 | |
| 3 | |

| 2 | | | |
|---|------|------|--|
| 3 | | | |

3. Calculate your Potential Leads/Sales Opportunity.

| | <u>Example</u> | <u>Your Company</u> |
|---|----------------|---------------------|
| Number of exhibiting hours: | 25 | 25 |
| • (x) Average number of booth staff on duty: | x *2 | |
| • Rule of thumb: 50 sq. feet per staffer | | |
| • (x) Target number of interactions per hour/per staffer: | <u>x *3</u> | |
| 3 conservative/ 4 moderate / 5 aggressive | | |
| • (=) Your Exhibit Interaction Capacity: | 150 | |
| • (x) Target percent that convert to a LEAD | <u>x 25</u> % | % |
| • (=) Number of LEADS | 38 | |
| • (x) Target percent that convert to a sales order (at/post) | <u>x 20</u> % | % |
| • (=) Number of sales orders | 8 | |
| • (x) Conservative average order amount | \$10,000 | \$ |
| • (=) Your Potential Sales Opportunity | \$80,000 | \$ |

4. **For each goal, create a written action plan** detailing the specific steps you must take to achieve the goal, who is responsible for accomplishing the goal, and how you will measure the results.

| SMART Goal | Responsibility | Actions | Measurement |
|--|----------------|--|--|
| Example: | | | |
| By closing time we will capture 25 qualified leads | John Smith | Determine qualifying questions. Rent and customize the show lead retrieval system or create a hand-held lead form. Train exhibit staff on using the lead form and how to ask qualifying questions. | # of leads with # of qualifying questions answered |
| | | | |
| 1. | | | |
| 2. | | | |
| 3. | | | |

Be sure to visit the online <u>Exhibitor Success Resource Center web page</u>. It's your one stop place to access critical knowledge, downloadable tools and resources. We highly recommend:
