As of March 20, WEFTEC 2020 will proceed as planned

We understand that our audience is concerned about the coronavirus and its potential effects on WEFTEC 2020. We will continue to monitor the situation and provide you with updates regularly. As always, WEF is committed to the health, safety, and well-being of all involved with WEFTEC. Visit the [WEF Coronavirus page](#) for the latest updates and technical resources.

In the meantime, we are continuing to develop the high-quality event and services that you've come to expect from us. We want to let you know that we're here working to make this a successful event for you to help you meet your goals.

Upcoming Dates to Note

April 15 - Exhibitor Service Manual Available
June 2 – Exhibitor Registration Opens

Submit Your Abstract for Exhibitor Sessions – Deadline April 22

The Call for Exhibitor Abstracts is open! Mobile Sessions consistently rate high in attendee and exhibitor satisfaction. There are two formats available to select from, which are exclusive to exhibitors: Mobile Sessions and Stormwater Pavilion Case Studies. There

is no better way to share your technical knowledge to a group of interested participants.
The deadline for submissions is April 22, 2019, 9:00am Eastern.

IFAT Exhibitor Resources

If you are a WEFTEC exhibitor who is also displaying at IFAT, now rescheduled for September 7-11, we want you to know that we are here to help. WEF has collected resources designed to ensure that your transition between events is as seamless as possible. The WEFTEC exhibitor service manual, launching in April, offers the following solutions.

- Kuehne+Nagle, WEF's official international freight forwarder, will help you prepare your international freight for direct air shipment and prepare your US importation documents for WEFTEC well in advance so that anything you need to get from IFAT to WEFTEC arrives on time.
- Customized rentals for linear stands up to 3m x 6m, completely custom stand designs, and hanging sign creation are available from Freeman, WEF's official general service contractor.
- Professional booth staffing services, from booth assistants to product specialists, can minimize the need for staff travel.
- Use the WEFTEC mobile app to connect with attendees and distribute your materials by PDF, saving printing and shipping. Included at no cost as a part of your exhibitor benefits, you may upload up to 5 PDFs as part of your directory, and complete your profile to promote your participation ahead of time:
www.wefnet.org/onlineform/weftec/ExhibitorDirectory/.

Look for these services in the Exhibitor Service Manual when it opens in April, or contact WEFTEC Exhibitor Services at expoinfo@wef.org to be placed on a list to be put in touch with one or more of these service providers.

Last Chance to Submit Nominations for the 2020 Innovative Technology Awards – Deadline April 1

The Innovative Technology Awards recognize exhibitors who have introduced new innovative products or services related to the water industry. To view the full list of criteria, [click here](#). The award will be presented during the WEFTEC 2020 Awards celebration and in the Innovation Pavilion.

You must be a WEF Exhibitor Member to apply. Nominations are due **April 1, 2020**.
